Having a broad knowledge of the various techniques of the martial arts gives a martial artist an expanded ability to counteract a variety of attacks and overwhelm an opponent's defenses. Author Ashley Martin shares with the reader his years of experience as a practitioner and teacher. He provides a catalog of the various martial arts being taught worldwide and their strengths and weaknesses. He then covers the basics of hand-to-hand techniques within each of those disciplines, from strikes to ground fighting. Finally, he offers information on the overall health and well-being of the martial artist, including important nutritional information and stretching techniques.
