

Chapter Two

Labour Supply: Individual Attachment to the Labour Market

Prepared by Dr. Amy Peng
Ryerson University

Learning Objectives

1. Define the key elements of labour force measurement - employment, unemployment, labour force participation, and hours worked - and explain how they are measured and reported by Statistics Canada.
2. Illustrate graphically how the income-leisure model reflects the trade-offs that consumers face in deciding whether and how much to work.
3. Distinguish theoretically between the work choices made by individuals and the economic opportunities that they

Copyright Office, 1967 **A Black Odyssey** Randall Bennett Woods, 2021-10-08 This book focuses on the career of a single individual an ambitious resourceful black American and his efforts to realize personal fulfillment in a racist world No black American was more determined to realize the promise of American life following the Civil War nor more frustrated by his inability to do so than John Lewis Waller Waller whose first twelve years were spent in slavery overcame his humble beginnings to become a politician lawyer journalist and diplomat Nevertheless his life provides a case study of a middle class black caught between a desire to work within the existing political and economic framework and a need to reject a milieu that was becoming increasingly racist Waller spent his childhood as a slave in Missouri and his adolescence on a farm in Iowa Circumstances and personal ambition combined to allow Waller to acquire a trade barbering and a profession lawyering in the 1870s In 1878 he migrated to frontier Kansas where he practiced law edited a newspaper rose to a position of leadership in the black community and became an important figure in the state Republican party His political career ended abruptly in 1890 however when the Republicans rejected his bid to be nominated as the party s candidate for state auditor Convinced that his defeat was due to the rising tide of racism throughout the nation he turned his attentions abroad Waller was particularly susceptible to the lure of overseas empire because he had spent much of his adult life in the midst of a community of people who had succumbed to the myth of a promised land who were convinced that the Negro would be best able to realize his potential in economically under developed regions not yet exploited and controlled by the white man In 1891 President Benjamin Harrison appointed Waller United States consul to the east African island of Madagascar By 1894 Waller had obtained a huge land grant there for the founding of a black utopia He hoped to establish a plantation colony that would simultaneously advance his personal fortunes serve as an investment opportunity for aspiring black capitalists and constitute a refuge for oppressed Afro Americans who wished to immigrate He was thwarted once again by racism however this time in the guise of French imperialism Viewing

Waller and his plans as a threat to their hegemony in Madagascar French authorities quashed the concession arrested Waller on a charge of being a spy and sentenced him to twenty years in prison There followed a full scale diplomatic confrontation between the United States and France Waller was released after serving ten months in a French prison but only after the Cleveland administration agreed to discredit him to the point where he would seem guilty as charged In his early manhood John Lewis Waller had realized that because he was a Negro personal achievement could not be separated from racial advancement Responding to that perception he spent a lifetime searching for a frontier where blacks could enjoy the blessings of democracy and capitalism and yet be free of the blight of racism Unlike the vast majority of American blacks of his time Waller was able to articulate his dreams have an impact on the larger white dominated environment and realize his individual potential to a remarkable degree Nevertheless his dreams were ultimately dashed by racism His sad but fascinating story deserves the careful attention of all students of politics and race relations during the complex post Civil War year
