Advanced Placement Classroom Timothy J. Duggan, 2021-09-03 Part of Prufrock's new series for the upper level classroom Advanced Placement Classroom Hamlet allows teachers to take a fresh approach on one of Shakespeare's most famous plays by moving beyond

basic history and memorization of quotes Students will study cultural variations of the Hamlet story recreate the tale s events in a news show format rewrite scenes using modern day perspectives and create their own blogs to discuss the play s relationship to contemporary life The author also provides easy to use discussions of Shakespeare s life and times and the ways Hamlet can be studied from a critical perspective Prufrock s new line of innovative teaching guides is designed to engage students with creative learning activities that ensure Advanced Placement success The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative hands on activities including debates role plays experiments projects and more all based on Advanced Placement and college level standards for learning Grades 7 12

Educational Leadership in an Age of Accountability

Daniel L. Duke, Margaret Grogan, Pamela D. Tucker, Walter F. Heinecke, 2012-02-01 The insistence by policymakers and politicians that educators be held accountable for student outcomes has resulted in dramatic shifts in the responsibilities of department chairs principals and superintendents Educational Leadership in an Age of Accountability explores these changes in Virginia following its implementation of an ambitious accountability plan that called for standards of learning statewide high stakes tests standards of accreditation and annual school performance report cards This book examines factors such as the fate of students who fail state tests achievement differences between black and white students ethical issues surrounding accountability measures and the increasing politicization of local schooling Educational Leadership in an Age of Accountability shows that accountability pressure has done more than previous reforms to foster instructional leadership
