

- 2 (b)** Prepare the statement of changes in all equity for the year ended 30 April 2014, using the table below.

[16 marks]

[includes 2 marks for quality of presentation]

## Statement of changes in equity for the year ended 30 April 2014

	Issued share capital £		Share premium £		Retained earnings £		Total £	
At 1 May 2013	1 200 000		300 000		876 590	(1) for all 3	2 376 590	(1) OF
Issue of shares	400 000	(1)	300 000	(5) OF			700 000	
Profit for the year					431 152	(1) OF	431 152	
Dividends paid					(280 000)	(5) OF	(280 000)	
At 30 April 2014	1 600 000		600 000		1 027 742		3 227 742	

**Workings****Share premium**
 $\pounds 1\,200\,000 \div 0.2 (1) = 6\,000\,000 \text{ shares} + 3 (1) = 2\,000\,000 \times 15\text{p} (1) = \pounds 300\,000 (1) \text{ OF}$ 

The own figure for the share premium can only be rewarded if it is arithmetically correct.

Plus 1 mark for correct column ie share premium.

**Dividends**

Original shares  $\pounds 1\,200\,000 \div 0.2 = 6\,000\,000 \text{ shares}$   
 Rights issue  $\frac{2\,000\,000}{8\,000\,000} \text{ shares} (1) \text{ OF}$

Add dividend paid 31 March  $8\,000\,000 \times .02 (1) = \pounds 160\,000$   
 $\pounds 120\,000 (1)$   
 $\pounds 280\,000 (1) \text{ OF}^*$

Plus 1 mark for correct column ie retained earnings.

**Marker notes:**

If student fails to calculate the number of shares then award marks:

 $\pounds 1\,200\,000 \div 3 (1) = 400\,000 \times 15\text{p} (1) \pounds 60\,000 (1)$ 

No workings shown for an incorrect share premium figure, award no marks for the figure, but 1 mark if own figure recorded in the share premium column.

Exception to this is where the student has not calculated the number of shares, eg if they show  $\pounds 60\,000$  for share premium in the share premium column – award 4 marks. If  $\pounds 60\,000$  for share premium is the wrong column this should be awarded 3 marks.

Please check that dividends are deducted in the statement.

# Marking Scheme For November 2013 Zimsec Accounts

**Samuel Ojo Oloruntoba, Toyin Falola**

## Marking Scheme For November 2013 Zimsec Accounts:

Validating Technological Innovation David Coniam, Peter Falvey, 2016-04-02 This book discusses Hong Kong's use of onscreen marking OSM in public examinations. Given that Hong Kong leads the way in OSM innovation, this book has arisen from a recognised need to provide a comprehensive coherent account of the findings of various separate but linked validation studies of onscreen public examinations in Hong Kong. The authors discuss their experience of the validation process demonstrating how high stakes innovation should be fully validated by a series of research studies in order to satisfy key stakeholders. Teacher in Zimbabwe, 2014

**The Statesman's Yearbook 2013** B. Turner, 2017-01-12 Now in its 149th edition, The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is also available online for subscribing institutions. [www.statesmansyearbook.com](http://www.statesmansyearbook.com) 2012-2013 College Admissions Data Sourcebook West Edition,

*Sport, Culture and Society* Grant Jarvie, 2017-07-20 What can sport do to produce social change in our world today? It is impossible to fully understand contemporary society and culture without acknowledging the importance of sport. Sport is part of our social and cultural fabric, possessing a commercial power that makes it a potent force in the world for good and for bad. It has helped to start wars and promote international reconciliation and governments around the world commit public resources to sport. Sport matters, but how should you make sense of what is going on in the world of sport today? Now in a fully revised, updated and expanded third edition, this critical, challenging and comprehensive textbook introduces the study of sport, culture and society. International in scope, it challenges us to reactivate an audacious spirit of activism through sport. Full of contemporary examples, it places sport at the heart of the analysis and introduces the reader to every core topic and emerging area in the study of sport and society, including the history and politics of sport, sport, gender and sexuality, sport, disability and advocacy, sport, race and racism, sport, violence and crime, sport and health, sport, globalisation and democracy, sport, media and cultural relations, sport and the environment, sporting cities and mega events, sport, poverty and development. Each chapter includes a wealth of useful features, including Sport in Focus case studies, chapter summaries, guides to further reading, revision questions, practical projects, definitions of key concepts and weblinks. Additional teaching and learning resources, including a testbank, resource list and glossary, are available on a companion website. *Sport, Culture and Society* is the most broad-ranging in depth and thoughtful introduction to the sociocultural analysis of sport currently available and sets a new agenda for the discipline. It is essential reading for all students with an interest in sport. Inflation Mark Blyth, Nicolò Fraccaroli, 2025-05-06 One of the Financial Times's Best Summer Books of 2025. An essential dose of clear thinking on one of the most contentious issues in economic policy. Adam Tooze. A fresh, revealing and myth-busting guide to the ins and outs of inflation from two leading political economists. Inflation is back and its impact can be felt everywhere, from the grocery store to the mortgage market to the results of elections around the world. What's more, tariffs and trade wars threaten to accelerate

inflation again Yet the conventional wisdom about inflation is stuck in the past Since the 1970s there has only really been one playbook for fighting inflation raise interest rates thereby creating unemployment and a recession which will lower prices But this simple story hides a multitude of beliefs about why prices go up and how policymakers can wrestle them back down beliefs that are often wrong damaging and have little empirical basis Leading political economists Mark Blyth and Nicol Fraccaroli reveal why inflation really happens challenge how we think about it and argue for fresh approaches to combat it With accessible and engaging commentary and a good dose of humor Blyth and Fraccaroli bring the complexities of economic policy and inflation indices down to earth Policymakers around the world may have pulled off a so called soft landing but Inflation warns they must update their thinking Now tariffs climate shocks demographic change geopolitical tensions and politicians promising to upend the global order are all combining to create a more inflationary future making a new paradigm for understanding inflation urgently necessary Astute timely and engaging Inflation is a must read for anyone seeking to understand the forces shaping our economy and politics

Spin Dictators Daniel Treisman, Sergei Guriev, 2023-04-04 A New Yorker Best Book of the Year A Foreign Affairs Best Book of the Year An Atlantic Best Book of the Year A Financial Times Best Politics Book of the Year How a new breed of dictators holds power by manipulating information and faking democracy Hitler Stalin and Mao ruled through violence fear and ideology But in recent decades a new breed of media savvy strongmen has been redesigning authoritarian rule for a more sophisticated globally connected world In place of overt mass repression rulers such as Vladimir Putin Recep Tayyip Erdogan and Viktor Orb n control their citizens by distorting information and simulating democratic procedures Like spin doctors in democracies they spin the news to engineer support Uncovering this new brand of authoritarianism Sergei Guriev and Daniel Treisman explain the rise of such spin dictators describing how they emerge and operate the new threats they pose and how democracies should respond Spin Dictators traces how leaders such as Singapore s Lee Kuan Yew and Peru s Alberto Fujimori pioneered less violent more covert and more effective methods of monopolizing power They cultivated an image of competence concealed censorship and used democratic institutions to undermine democracy all while increasing international engagement for financial and reputational benefits The book reveals why most of today s authoritarians are spin dictators and how they differ from the remaining fear dictators such as Kim Jong un and Bashar al Assad as well as from masters of high tech repression like Xi Jinping Offering incisive portraits of today s authoritarian leaders Spin Dictators explains some of the great political puzzles of our time from how dictators can survive in an age of growing modernity to the disturbing convergence and mutual sympathy between dictators and populists like Donald Trump

Transitional Justice and the 'Disappeared' of Northern Ireland Lauren Dempster, 2019-06-11 This book employs a transitional justice lens to address the disappearances that occurred during the Northern Ireland conflict or Troubles and the post conflict response to these disappearances Despite an extensive literature around dealing with the past in Northern Ireland as well as a substantial body of scholarship on disappearances in other national contexts there has been

little scholarly scrutiny of disappearances in post conflict Northern Ireland Although the Good Friday Agreement brought relative peace to Northern Ireland no provision was made for the establishment of some form of overarching truth and reconciliation commission aimed at comprehensively addressing the legacy of violence Nevertheless a mechanism to recover the remains of the disappeared the Independent Commission for the Location of Victims Remains ICLVR was established and has in fact proven to be quite effective As a result the reactions of key constituencies to the disappearances can be used as a prism through which to comprehensively explore issues of relevance to transitional justice scholars and practitioners Pursuing an interdisciplinary approach and based on extensive empirical research this book provides a multifaceted exploration of the responses of these constituencies to the practice of disappearing It engages with transitional justice themes including silence memory truth acknowledgement and apology Key issues examined include the mobilisation efforts of families of the disappeared efforts by a former non state armed group to address its legacy of violence the utility of a limited immunity mechanism to incentivise information provision and the interplay between silence and memory in the shaping of a collective societal understanding of the disappeared The Corruption Cure Robert I. Rotberg, 2019-08-06 Corruption corrodes all facets of the world's political and corporate life yet until now there was no one book that explained how best to battle it Here Rotberg puts some 35 countries under an anti corruption microscope to show exactly how to beat back the forces of sleaze and graft **The Palgrave Handbook of Africa and the Changing Global Order** Samuel Ojo Oloruntoba, Toyin Falola, 2021-11-22 This handbook fills a large gap in the current knowledge about the critical role of Africa in the changing global order By connecting the past present and future in a continuum that shows the paradox of existence for over one billion people the book underlines the centrality of the African continent to global knowledge production the global economy global security and global creativity Bringing together perspectives from top Africa scholars it actively dispels myths of the continent as just a passive recipient of external influences presenting instead an image of an active global agent that astutely projects soft power Unlike previous handbooks this book offers an eclectic mix of historical contemporary and interdisciplinary approaches that allow for a more holistic view of the many aspects of Africa's relations with the world *Regardless of Frontiers* Agnes Callamard, Lee C. Bollinger, 2021-02-09 The United Nations Universal Declaration of Human Rights in 1948 proclaimed a vision of freedom of expression exercised regardless of frontiers Nonetheless laws and norms regarding the freedom or limits of expression are typically established and understood at the national level In today's interconnected world newfound threats to free expression have suddenly arisen How can this fundamental right be secured at a global level This volume brings together leading experts from a variety of fields to critically evaluate the extent to which global norms on freedom of expression and information have been established and which actors and institutions have contributed to their diffusion The authors also consider ongoing and new challenges to these norms from conflicts over hate speech and the rise of populism to authoritarian governments as well as the profound

disruption introduced by the internet Together the essays lay the groundwork for an international legal doctrine on global freedom of expression that considers issues such as access to government held information media diversity and political speech As the world risks renouncing previous commitments to the freedom of expression Regardless of Frontiers serves as a timely reminder of just how much is at stake and what needs protecting *Our Dollar, Your Problem* Kenneth

Rogoff,2025-05-06 A leading economist explores the global rise of the U S dollar and shows why its future stability is far from assured *Our Dollar Your Problem* argues that America s currency might not have reached today s lofty pinnacle without a certain amount of good luck Drawing in part on his own experiences including with policymakers and world leaders Kenneth Rogoff animates the remarkable postwar run of the dollar how it beat out the Japanese yen the Soviet ruble and the euro and the challenges it faces today from crypto and the Chinese yuan the end of reliably low inflation and interest rates political instability and the fracturing of the dollar bloc Americans cannot take for granted that the Pax Dollar era will last indefinitely not only because many countries are deeply frustrated with the system but also because overconfidence and arrogance can lead to unforced errors Rogoff shows how America s outsized power and exorbitant privilege can spur financial instability not just abroad but also at home International Business, International Adaptation Shad Morris,James Oldroyd,2023 With the incisive and comprehensive exploration of international business in the modern world in this edition of *International Business* an accomplished team of educators and business practitioners delivers a revitalized approach to the discipline that brings international business to life This edition of the book includes one of a kind chapters on sustainability poverty and innovation as well as explorations of the COVID 19 pandemic and its effects on commerce the business implications of social and civic justice race and inequality debates and new case studies including one on equity diversity and inclusion at Microsoft The book efficiently prepares students for the global economy and transforms the authors impressive international experience at multinational corporations into an indispensable pedagogical resource This international adaptation further strengthens the bond between the readers and the contemporary world of international business through the introduction of new case studies caselets illustrations and exhibits related to India Australia bilateral trade association solar mammas of Sudan evolution of Islamic banking in Tanzania McDonald s kosher menu in Israel and so on It takes us through the emerging factors affecting the international business such as digital transformation and global supply chain strategies post COVID 19 Critical thinking questions added at the end of each chapter will encourage the students to think analytically and delve deeper into the topic

**China's Power in Africa** Olayiwola Abegunrin,Charity Manyeruke,2019-10-11 This book examines China s political economic and diplomatic engagement in Africa The rapid increase of China s economic and political involvement in Africa is the most momentous development on the continent of Africa since the beginning of the twenty first century China is now Africa s largest trading partner and the largest infrastructure financier Additionally it is the fastest growing economy and source of foreign direct investment This monograph seeks to understand the dynamics of the escalating Chinese investments

in African economies and the political implications of this development for Africa This work will interest scholars students academics and policy makers on the fields of Chinese and African politics development studies and international political economy     The Economic Transformation and Political Economy of Zambia Stephen Chan,2025-07-21 This book examines the economic and political development of Zambia since its independence in 1964 Based on detailed and original research it explores the challenges faced during each period of Zambia s modern history The Zambian copper industry is given particular attention to provide insight into the specific nature of the Zambian economy and to highlight how the country has failed to diversify economically and has accumulated debt Recent debt negotiations opportunities for financial investment the relationship between Zambia and China are discussed This book offers a rounded and considered understanding of the economic and political challenges that face Zambia and Africa It will be of interest to students researchers and policymakers working within development economics the political economy and economic history     *Vessels of Excellence* Max Matonhodze,2022-11-30 Helping you to become the best you can be You may be asking Is there God Is it possible to know Him intimately How can I become a better person How can I overcome some of the human weaknesses I have I have lost my way any way back Yes there is If that s you and you are looking to produce the best you there can be read on This book will help you become a Vessel Of Excellence It will lead you in a step by step way through teaching that has been proven over 4 decades by igniting power and strength from within you connecting you to the source of unending power and strength to make change happen from within you while giving you anchorage to faith hope and love This will result in you experiencing true freedom authenticity and excellence It will make you become a person of character stature achievement and self assurance as well as making you discover live and celebrate your purpose This book is also written to be used by any Christian as a training manual or resource book for personal growth and for teaching and training church leaders and pastors     **The Statesman's Yearbook 2016** Nick Heath-Brown,2017-02-07 Now in its 152nd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www.statesmansyearbook.com](http://www.statesmansyearbook.com)     *2012-2013 College Admissions Data Sourcebook Midwest Edition* ,     **Political Handbook of the World 2022-2023** Tom Lansford,2023-06-09 The Political Handbook of the World 2022 2023 provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2022 2023 edition continues to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Tom Lansford has compiled in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies And

this update will aim to include coverage of current events issues crises and controversies from the course of the last two years     **The Statesman's Yearbook 2017** Palgrave Macmillan,2017-02-28 Now in its 153rd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www statesmansyearbook com](http://www.statesmansyearbook.com)
