Martine petite maman Gilbert Delahaye, 1993 **Gender by the Book** Julie Fette, 2024-10-31 *Gender by the Book* investigates the gender representations that French children's literature transmits to readers today Using an interdisciplinary mixed methods approach this book grounds its literary analysis in a sociohistorical examination of three key institutions libraries book clubs and subscription magazines that circulate reading material to children It shows how French policies cultural beliefs and market forces influence the content of children's literature including tensions between State support for unprofitable artistic endeavors and a belief in children's right to high quality products on the one hand and suspicion of activism as anathema to creativity and fear of losing boy readers on the other In addition the notion of universalism which asserts that equality is best achieved when society is blind to differences thwarts a diverse and equitable array of literary representations Nevertheless conditions are favorable for 21st century French children's publishers to offer a robust body of richly entertaining egalitarian literature for children This title is freely available as open access thanks to generous support from the Fondren Library at Rice University Le Bistrot du Cœur Agnès Riboulet, 2023-06-12 Qu est il arriv Max pour qu il vive clo tr dans son appartement pendant plus de deux ans Pourquoi d cide t il d crire un roman Qui sont Jules et Lucie les deux habitu s qu il rencontre au Bistrot du C ur Changeront ils le cours de sa vie Du d sespoir l espoir du rire aux larmes Max retrouvera t il l envie d tre heureux Pour quel avenir Le Bistrot du C ur est un roman la fois dur dr le mouvant et humain un parcours de vie entre r silience espoir partage rencontres et voyages PROPOS DE L AUTEURE Correspondante de presse dans un quotidien r gional d Auvergne depuis quinze ans et dipl m e de psychologie Agn s Riboulet a toujours t passionn e par le comportement humain et amoureuse des grands espaces Elle livre ici un premier roman rythm par des v nements pass s et actuels pour mieux d voiler toute la complexit de l tre tant dans sa force que dans sa fragilit

Entre amour et haine baignent les larmes de tristesse. *Et un an de plus !*, *The Master-Christian* Marie Corelli, 1900 *The Master-Christian* Marie Corelli, 2022-08-10

In Marie Corelli's compelling novel *The Master Christian* the author delves into profound themes of spirituality, morality, and the quest for truth within a rapidly changing Victorian society. Through a rich tapestry of lyrical prose, Corelli juxtaposes the essence of Christ-like love against the backdrop of materialism and moral decay. The narrative follows the character of the enigmatic yet compassionate Ugo, who through his selfless acts embodies the ideals of what it means to be a true follower of Christ, portraying a masterful synthesis of romance, philosophy, and religious commentary that encourages readers to reflect on their own spiritual journeys.

Marie Corelli (1855-1924), a prominent novelist of her time, carved a niche in the literary landscape with her unique blend of mysticism and social criticism. Her passionate advocacy for spiritualism and nationalism juxtaposed with her critique of societal norms greatly influenced the thematic structure of *The Master Christian*. Corelli's personal experiences and fervent belief in the power of love and redemption are intricately woven into the narrative, shedding light on her literary motivations. This thought-provoking work is essential for readers who seek to engage with deep philosophical questions while enjoying an enthralling story. Corelli's masterful narrative invites reflection on one's values and beliefs, making it a significant addition to the canon of late Victorian literature.
