Dominion Undeserved Eric B. Song, 2013-04-12 That the writings of John Milton continue to provoke study and analysis centuries after his lifetime speaks no doubt to his literary greatness but also to the many ways in which his art both engaged and transcended the political and theological tensions of his age In *Dominion Undeserved* Eric B Song offers a brilliant reading of Milton's major writings finding in them a fundamental impasse that explains their creative power According to Song a divided view of creation governs Milton's related systems of cosmology theology art and history For Milton any coherent entity a nation a poem or even the new world must be carved out of and guarded against an original unruliness Despite being sanctioned by God however this agonistic mode of creation proves ineffective because it continues to manifest internal rifts that it can never fully overcome This dilemma is especially pronounced in Milton's later writings including *Paradise Lost* where all forms of creativity must strive against the fact that chaos precedes order and that disruptive forces will continue to reemerge seemingly without end Song explores the many ways in which Milton transforms an intractable problem into the grounds for incisive commentary and politically charged artistry This argument brings into focus topics ranging from Milton's recurring allusions to the Eastern Tartars the way Milton engages with country house poetry and colonialist discourses in *Paradise Lost* and the lasting relevance of Anglo Irish affairs for his late writings Song concludes with a new reading of *Paradise Regained* and *Samson Agonistes* in which he shows how Milton's integration of conflicting elements forms the heart of his literary archive and confers urgency upon his message even as it reaches its future readers

Ars et Ingenium: The Embodiment of Imagination in Francesco di Giorgio Martini's Drawings Pari Riahi, 2015-02-11 When did drawing become an integral part of architecture Among several architects and artists who brought about this change during the Renaissance Francesco di Giorgio Martini's ideas on drawing recorded in his *Trattati di architettura ingegneria e arte militare* 1475-1490 are significant Francesco suggests that drawing is linked to the architect's imagination and central in conveying images and ideas to others Starting with the broader edges of Francesco's written work and steadily penetrating into the fantastic world of his drawings the book examines his singular formulation of the act of drawing and its significance in the context of the Renaissance The book concludes with speculations on how Francesco's work is relevant to us at the onset of another major shift in architecture caused by the proliferation of digital media *Albania* Gillian Gloyer, 2012 Albania's unspoilt mountain scenery cultural sites and beaches mean it is becoming increasingly popular with a growing number of UK travellers This affectionate guide to Albania covers the length and breadth of the country discovering remote villages and out of the way towns such as Peshkopia and Erseka Visitors will find detailed information on wildlife national parks hiking routes and beaches For those interested in the culture and history there is more on the main archaeological sites at Butrint and Byllis and Byzantine art together with biographical vignettes of individuals who have figured in the country's history 2012 marks the centenary of Albania's independence from the Ottoman Empire and there are

likely to be many celebratory events across the country *Chinese Sympathies* Daniel Leonhard Purdy,2021-10-15 *Chinese Sympathies* examines how Europeans German speaking writers and thinkers in particular identified with Chinese intellectual and literary traditions following the circulation of Marco Polo s Travels This sense of affinity expanded and deepened Daniel Leonhard Purdy shows as generations of Jesuit missionaries baroque encyclopedists Enlightenment moralists and translators established intellectual regimes that framed China as being fundamentally similar to Europe Analyzing key German literary texts theological treatises imperial histories tragic dramas moral philosophies literary translations and poetic cycles *Chinese Sympathies* traces the paths from baroque era missionary reports that accommodated Christianity with Confucianism to Goethe s concept of world literature bridged by Enlightenment debates over cosmopolitanism and sympathy culminating in a secular principle that allowed readers to identify meaningful similarities across culturally diverse literatures based on shared human experiences This book is freely available in an open access edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of the Pennsylvania State University Learn more at the TOME website available at openmonographs.org The open access edition is available at [Cornell Open](https://cornellpress.cornell.edu/cornell-open) [cornellpress.cornell.edu](https://cornellpress.cornell.edu/cornell-open) [cornell open](https://cornellpress.cornell.edu/cornell-open) and other repositories **Publication** ,1896 **Asia in the Making of Europe, Volume III: A Century of Advance. Book 4** Donald F. Lach,Edwin J. Van Kley,2022-07-29 This monumental series acclaimed as a masterpiece of comprehensive scholarship in the New York Times Book Review reveals the impact of Asia s high civilizations on the development of modern Western society The authors examine the ways in which European encounters with Asia have altered the development of Western society art literature science and religion since the Renaissance In Volume III *A Century of Advance* the authors have researched seventeenth century European writings on Asia in an effort to understand how contemporaries saw Asian societies and peoples **Asia in the Making of Europe** Donald Frederick Lach,Edwin J.
