Meld School Runaway:

Meld School Runaway Paul David Robinson, Rebecca Swift, 2014-11-01 Hallie gave birth to Jeanne who was a clone Jeanne's father died in a starship disaster two hundred and eighty years ago Jeanne's mother died four hundred years ago back on Earth Jeanne was born with a constant psychic connection with two boys she does not know Jeanne could not stand to be touched by anyone but Hallie Jeanne ran away from Meld School until she was 7 years old 11 in Earth years She ran away to be alone in the dark and warmth at the back of her mind After she learned the names of the two boys in her head Jeanne could get into the mind of anybody she thought about including Hallie And Jeanne could see through their eyes and hear through their ears and they never knew she was there What would you do if you could do that Every year the Red Moon eclipses the White Moon Every five years an ugly Green Moon aligns behind them during the eclipse Two hundred years after their starship is pulled apart by a gravitational vortex formed by the three moons the sun and the planet three children all of the same age but from three different Meld Schools bring a Change of Custom to the People of Big Blue Big Blue is an earthlike planet with a year of 500 days And each of those days has approximately twenty eight hours in them It is the Earth equivalent of 584 days in a year A three year old is almost five in Earth years The People divided the year into ten months with five weeks to a month They had a six day workweek and then a Sabbath day followed by a three day weekend every week The Sabbath is Community Service Day when all of the People go to a job or activity assigned to them by the Elders All the other days of the week the People could do just what they pleased That was their Privilege And except for the Sabbath Day Privilege always took precedence over Custom The Sabbath was a Tithe of their time Aboard the Starship the People were having a contest to name the continents on Big Blue Disaster ended the contest and forty thousand lives The People are the descendants of the eighteen thousand men women and children who landed safely on the Second Continent The Smythes are the descendants of 114 boys and 143 girls and one man who survived when half of the Education unit of the starship crashed into the Great Swamp and rainforest on the southern shore of the Big Continent The Tara are descendants of seventeen hundred men women and children who landed safely in the Round with all the animals from the starship They lived a thousand miles from the Smythes on the Big Continent During the alignment of the moons every five years the Tara sit on top of the Round hold hands and recite the names of the forty thousand dead Children of Tara Their Service of Remembrance ends with the Tara Prayer From Tara we came and to Tara we shall return We give thanks for what we have and pledge to meet with love and courage what will be May all of our loved ones past present and future be with us this day and always Restraining His Runaway Brandy Ayers, 2024-03-06 Ten years ago Maggie disappeared from Liam's life Now that Amen she s back he s not letting her go I ve spent the better part of my life on the run from an evil man everyone thought was good I left behind a promising future and a best friend that I loved as far more than a friend There hasn t been a day that I didn t think about sweet shy Liam and the night we shared before I ran Years passed and while I stuck to the shadows Liam basked

in the glow of stage lights with his band Malfeesance I just wanted to witness him playing once To see him one more time hidden amongst thousands of screaming fans before finally moving on with my life free from fear But of course things couldn t go according to plan They never do Now Liam is taking me on the road with him whether I like it or not If you are a fan of Kylie Scott s Stage Dive series check out the Rock Hard Love Harder series for your next spicy read Start reading and The Runaway Economy, Partnerships Against Violence ,1995 **Human Trafficking** Alexis A.
