1 The Three Farmers

Down in the valley there were three farms. The owners of these farms had done well. They were rich men. They were also nasty men. All three of them were about as nasty and mean as any men you could meet. Their names were Farmer Boggis, Farmer Bunce and Farmer Bean.

Boggis was a chicken farmer. He kept thousands of chickens. He was enormously fat. This was because he ate three boiled chickens smothered with dumplings every day for breakfast, lunch and supper.

Bunce was a duck-and-geese farmer. He kept thousands of ducks and geese. He was a kind of pot-bellied dwarf. He was so short his chin would have been underwater in the shallow end of any swimming-pool in the world. His food was doughnuts and goose-livers. He mashed the livers into a disgusting paste and then stuffed the paste into the doughnuts. This diet gave him a tummy-ache and a beastly temper.
