Literature and Inequality Daniel Shaviro,2020-03-31 The consequences of high end inequality seep into almost every aspect of human life it is not just a question for economists In this highly accessible new work Professor Shaviro takes an interdisciplinary approach to explore how great works of literature have provided some of the most incisive accounts of inequality and its social and cultural ramifications over the last two centuries Through perceptive close readings of Jane Austen Charles Dickens and Edith Wharton among others he not only demonstrates how these accounts are still relevant today but how they can illuminate our understanding of our current

situation and broaden our own perspective beyond the merely economic

### **Vladimir Putin and Russia's Imperial**

**Revival** David E. McNabb, 2017-07-05 Discerning the early stages of the rebirth of a new Russian empire from the ashes of the Soviet Union Vladimir Putin and Russia's Imperial Revival argues that Russia's recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the Cold War At the least Russia's actions represent the potential for renewal This book explains these developments in a historical context The book begins by describing Russia's initial policy of rapprochement after the collapse of the Soviet Union and its development into a foreign policy of threatened or actual armed aggression It identifies today's Russia as a nation determined to re-establish itself as a political and military force As a prominent figure in the development and continuation of its current foreign policy Vladimir Putin plays a central role in the topics covered Previous literature often treats Putin as an individual phenomenon examining his connections to corruption or the secret police but here David E McNabb examines him as the latest in a long history of Russian despots who followed similar expansionist policies He details some of the tactics Putin uses to instill fear and dominate political policies of republics newly independent from Russia These tactics include the use of energy as a weapon cyber terrorism and military support for ethnic Russian separatists in other sovereign nations most recently exemplified by Russia's annexation of Crimea from Ukraine via armed invasion In an attempt to demystify Russia's re-emergence as an international political force Vladimir Putin and Russia's Imperial Revival grounds its analyses in history It explores as far back as the establishment of the first Russian empire and regards Putin as a leader determined to establish a fifth imperial incarnation It provides a nuanced understanding of how Russia arrived at its current position through recent and distant internal and international events

*Russian Environmental Politics* Ellie Martus, 2017-07-06 This book explores how policymaking works in Russia focusing on the important field of environmental policy It argues that contrary to the prevailing view that power is concentrated in the president's hands policy is in fact made by the bureaucracy and influential industry and industrial association lobbyists

**Europe's Eastern Crisis** Richard Youngs, 2017-03-24 In recent years a series of crises have erupted on the European Union's eastern borders Russia's annexation of Crimea and the subsequent conflict in eastern Ukraine presented the EU with a major foreign policy challenge in both Ukraine and across the other countries of the so called Eastern Partnership In response the EU has begun to map its own form of liberal redux geopolitics that combines various strategic logics This book traces the effect of these crises on the foreign policy of the EU examining the changes in policies towards the countries on its eastern borders the EU's review of the Eastern Partnership as well as the EU's relations with Russia overall It goes on to uncover whether the EU has contained the crisis or if it has set up new conditions for more instability in the future

**India's Emerging Energy Relations** Girijesh Pant, 2015-10-09 This book analyzes the role of energy in Indian foreign policy particularly in defining bilateral relations It also focuses on the critical gaps in conceptualizing its formulations and recommends a framework for sustainable energy security India the fourth largest consumer of oil is an energy deficit economy importing more than eighty percent of its needs This makes securing energy integral to its foreign policy goals Obviously it is important for India to actively participate in the global energy market and establish robust enduring and nuanced diplomatic relations with energy exporting countries Equally important is that India diversifies its energy mix and moves towards carbon free growth Renewable energy is today high on the global energy agenda Indian energy policy thus has to address a range of issues domestically and on foreign turf It has to move beyond the transactional mode by creating equity in the global energy industry Today the global energy regime is undergoing fundamental changes as is the power dynamics of the global energy order There are now many new producers and diverse consumers The trade in energy has increased in volume and its direction has shifted from the West to the East and the ongoing structural changes in the energy market call for a new security architecture Given the complex and competitive environment of the new geo economics and geopolitics of energy the question could well be should India frame energy issues in conflict mode or move toward innovative cooperation In either case the message is that India needs an

integrated energy security policy      *Terrorism, Inc.* Colin P. Clarke, 2015-06-01 This in depth historical analysis of terrorism investigates the major funding streams of terrorists insurgents guerrillas warlords militias and criminal organizations throughout the world as well as the efforts of the international community to thwart their efforts Terrorist financing is an ongoing game of creating concealing and surreptitiously utilizing funds This intriguing book considers every facet of guerrilla funding from how activities are financed to what insurgents do with the revenue they generate to the range of countermeasures in place for deterring their moneymaking activities Case studies prompt an analysis of past government responses and inform recommendations for countering irregular warfare worldwide Author Colin P Clarke presents the business side of terrorism taking a look at the cash producing ventures he labels gray activities such as diaspora support charities fraudulent businesses front companies and money laundering as well as dark activities including kidnapping for ransom robbery smuggling trafficking and extortion He considers the transnational efforts to stop terrorist activities from wiretaps and electronic surveillance to financial sanctions and the freezing of funds and accounts and points to the emergence of interagency task forces for detaining and destroying the operations of major criminal organizations across the globe      **OECD Investment Policy Reviews: Ukraine 2016** OECD, 2016-09-27 This review which was prepared in close co operation with the Ukrainian authorities analyses Ukraine s general framework for investment as well as recent reforms and shows where further efforts are necessary      **Global and Local Internationalization** Elspeth Jones, Robert Coelen, Jos Beelen, Hans de Wit, 2015-12-14 Offering a range of perspectives on internationalization in higher education from a globally dispersed group of authors this book reflects the many facets of the theme It reminds us that while internationalization is strongly connected to the globalization of society at the same time it is deeply embedded in local political economic and social structures systems and cultures The increasing attention given to internationalization by institutions all around the world is leading to diversification and broadening of practice This in turn deepens our understanding of what is needed to enhance the educational experiences of students and how the outcomes of internationalization contribute to the skills needed in a globalized and multicultural society Yet inevitably the impact is becoming more noticeable locally and the six sections of the book focus on these dimensions Internationalization in Local and Global Contexts Local and Global Drivers for Change Global and Local Dimensions of Curriculum Internationalization The Outcomes of Local and Global International Education Internationalization for Local and Global Employability Regional and National Cases of Local and Global Internationalization How can we define more precise learning outcomes that underpin learning and teaching How do we avoid the societal risks of internationalization and ensure that internationalization opportunities and benefits are shared equally How do we prevent brain drain and commercialization What are the values that underlie our actions These are just some of the questions that will occupy our minds locally and globally in the years to come and which this book seeks to highlight
