Bone Lines Stephanie Bretherton, 2018-09-19 A young woman walks alone through a barren landscape in a time before history a time of cataclysmic natural change She is cold hungry and with child but not without hope or resources A skilful hunter she draws on her intuitive understanding of how to stay alive and knows that she must survive In present day London geneticist Dr Eloise Kluft wrestles with an ancient conundrum as she unravels the secrets of a momentous archaeological find She is working at the forefront of contemporary science but is caught in the lonely time lock of her own emotional past Bone Lines is the story of two women separated by millennia yet bound by the web of life A tale of love and survival of courage and the quest for wisdom it explores the nature of our species and asks what lies at the heart of being human Although partly set during a crucial era of human history 74 000 years ago Bone Lines is very much a book for our times Dealing with themes from genetics climate change and migration to the yearning for meaning and the clash between faith and reason it also paints an intimate portrait of who we are as a species The book tackles some of the big questions but

requires no special knowledge of any of the subjects to enjoy Alternating between ancient and modern timelines the story unfolds through the experiences of two unique characters One is a shaman the sole surviving adult of her tribe who is braving a hazardous journey of migration the other a dedicated scientist living a comfortable if troubled existence in London who is on her own mission of discovery The two are connected not only by a set of archaic remains but by a sense of destiny and their desire to shape it Both are pioneers women of passion grit and determination although their day to day lives could not be more different One lives moment by moment drawing on every scrap of courage and ingenuity to keep herself and her infant daughter alive while the other is absorbed by work imagination and regret Each is isolated and facing her own mortal dangers and heart rending decisions but each is inspired by the power of the life force and driven by love Bone Lines stands alone as a novel but also marks the beginning of the intended Children of Sarah series
