

Maman died today. Or yesterday maybe. I don't know. I got a telegram from the home: "Mother deceased. Funeral tomorrow. Faithfully yours." That doesn't mean anything. Maybe it was yesterday.

The old people's home is at Marengo, about eighty kilometers from Algiers. I'll take the two o'clock bus and get there in the afternoon. That way I can be there for the vigil and come back tomorrow night. I asked my boss for two days off and there was no way he was going to refuse me with an excuse like that. But he wasn't too happy about it. I even said, "It's not my fault." He didn't say anything. Then I thought I shouldn't have said that. After all, I didn't have anything to apologize for. He's the one who should have offered his condolences. But he probably will day after tomorrow, when he sees I'm in mourning. For now, it's almost as if Maman weren't dead. After the funeral, though, the case will be closed, and everything will have a more official feel to it.

I caught the two o'clock bus. It was very hot. I ate at the restaurant, at Céleste's, as usual. Everybody felt very sorry for me, and Céleste said, "You only have one

Maman died today. Or, maybe, yesterday; I can't be sure. The telegram from the Home says: "Mother deceased. Funeral tomorrow. Faithfully yours, yours, yours." Which leaves the matter doubtful; it could have been yesterday.

The Home for Aged Persons is at Marengo, some fifty miles from Algiers. With the two o'clock bus I should get there well before nightfall. Then I can spend the night there, keeping the usual vigil beside the body, and be back here by tomorrow evening. I have fixed up with my employer for two days' leave, obviously; under the circumstances, he couldn't refuse. Still, I had an idea he looked annoyed, and I said, without thinking, "Sorry, sir, but it's not my fault, you know."

Afterwards it struck me I needn't have said that. I had no reason to excuse myself; it was up to him to express his sympathy and so forth. Probably he

The Stranger Albert Camus, 2012-08-08 With the intrigue of a psychological thriller *The Stranger* Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach With an Introduction by Peter Dunwoodie translated by Matthew Ward Behind the subterfuge Camus explores what he termed the nakedness of man faced with the absurd and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life *The Stranger* is a strikingly modern text and Matthew Ward's translation will enable readers to appreciate why Camus's stoical anti hero and devious narrator remains one of the key expressions of a postwar Western malaise and one of the cleverest exponents of a literature of ambiguity from the Introduction by Peter Dunwoodie First published in 1946 now in translation by Matthew Ward

Looking for The Stranger Alice Kaplan, 2016-09-09 A New York Times Notable Book A literary exploration that is surely destined to become the quintessential companion to Camus's most enduring novel *PopMatters* *The Stranger* is a rite of passage for readers around the world Since its publication in France in 1942 Camus's novel has been translated into sixty languages and sold more than six million copies It's the rare novel that's as likely to be found in a teen's backpack as in a graduate philosophy seminar If the twentieth century produced a novel that could be called ubiquitous *The Stranger* is it How did a young man in his twenties who had never written a novel turn out a masterpiece that still grips readers more than seventy years later With *Looking for The Stranger* Alice Kaplan tells that story In the process she reveals Camus' achievement to have been even more impressive and more unlikely than even his most devoted readers knew To this new project Kaplan brings equally honed skills as a historian literary critic and biographer Reading *The Stranger* is a bracing but somewhat bloodless experience Ms Kaplan has hung warm flesh on its steely bones The New York Times For American readers few French novels are better known and few scholars are better qualified than Kaplan to reintroduce us to it Kaplan tells this story with great verve and insight all the while preserving the mystery of its creation and elusiveness of its meaning Los Angeles Review of Books The fascinating story behind Albert Camus' coldblooded masterpiece A compelling companion to a novel that has stayed strange Kirkus Reviews

Palace of Books Roger Grenier, 2014-10-08 For decades French writer editor and publisher Roger Grenier has been enticing readers with compact erudite books that draw elegant connections between the art of living and the work of art Under Grenier's wry gaze clichés crumble and offbeat anecdotes build to powerful insights With *Palace of Books* he invites us to explore the domain of literature its sweeping vistas and hidden recesses Engaging such fundamental questions as why people feel the need to write or what is involved in putting one's self on the page or how a writer knows she's written her last sentence Grenier marshals apposite passages from his favorite writers Chekhov Baudelaire Proust James Kafka Mansfield and many others Those writers mingle companionably with tales from Grenier's half century as an editor and friend to countless legendary figures including Albert Camus Romain Gary Milan Kundera and Brassai Grenier offers here a series of observations and quotations

that feel as spontaneous as good conversation yet carry the lasting insights of a lifetime of reading and thinking Palace of Books is rich with pleasures and surprises the perfect accompaniment to old literary favorites and the perfect introduction to new ones

Kierkegaard on Dialogical Education Anna Strelis Soderquist, 2016-07-14 Kierkegaard on Dialogical Education Vulnerable Freedom examines a unique conception of freedom that underscores the productive role of human vulnerability as found in the work of Søren Kierkegaard Anna Strelis Soderquist uncovers Kierkegaard's method of indirect communication as a formative and dialogical approach to education that guides a person in becoming not only free and independent but also receptive and empathetic This approach bestows upon a human being the dignity that comes from being both capable and humble It emphasizes the need for trust and courage alike in our dialogical relations freeing us to receive and respond to the other both in our need and through our own choosing Freedom's secret is that it is at the same time self-empowered and vulnerable self-giving and receptive independent and dependent Kierkegaard's method in both form and content hinges upon the narrativity of human experience No human being is immune to the seductive force of stories Kierkegaard recognizes the power of a story to captivate and to change us to empower and to humble us and he makes use of them as formative teachers with whom we enter into dialogue Through its examination of indirect formation in Kierkegaard through poetry and storytelling Kierkegaard on Dialogical Education explores the reaches and limits of narrative imagination and inquires into the dialogical and narrative struggle inherent in the formation of identity This book will be of interest to philosophers and educators as well as those who meet at the crossroads of philosophy education and art

The Stranger by Albert Camus Albert Camus, 1942 The Stranger French *L'Étranger* also published in English as *The Outsider* is a 1942 novella by French author Albert Camus Its theme and outlook are often cited as examples of Camus philosophy absurdism coupled with existentialism though Camus personally rejected the latter label The title character is Meursault an indifferent French settler in Algeria described as a citizen of France domiciled in North Africa a man of the Mediterranean an *homme du midi* yet one who hardly partakes of the traditional Mediterranean culture Weeks after his mother's funeral he kills an Arab man in French Algiers who was involved in a conflict with one of Meursault's neighbors Meursault is tried and sentenced to death The story is divided into two parts presenting Meursault's first person narrative view before and after the murder respectively Meursault learns of the death of his mother who has been living in an old age home in the country He takes time off from work to attend her funeral but he shows no signs of grief or mourning that the people around him expect from someone in his situation When asked if he wishes to view her body he declines and he smokes and drinks regular white coffee not the obligatory black coffee at the vigil held by his mother's coffin the night before the burial Most of his comments to the reader at this time are about his observations of the aged attendees at the vigil and funeral which takes place on an unbearably hot day Back in Algiers Meursault encounters Marie a former secretary of his firm The two become reacquainted swim together watch a comedy film and begin to have an intimate relationship All of this happens on the day after his mother

s funeral Over the next few days Meursault helps Raymond Sint s a neighbor and friend who is rumored to be a pimp but says he works in a warehouse to get revenge on a Moorish girlfriend he suspects has been accepting gifts and money from another man Raymond asks Meursault to write a letter inviting the girl over to Raymond s apartment solely so that he can have sex with her and then spit in her face and throw her out While he listens to Raymond Meursault is characteristically unfazed by any feelings of empathy so he does not express concern that Raymond s girlfriend would be emotionally hurt by this plan and agrees to write the letter In general Meursault considers other people either interesting or annoying or feels nothing for them at all Raymond s girlfriend visits him on a Sunday morning and the police get involved when he beats her for slapping him after he tries to kick her out He asks Meursault to testify that the girlfriend had been unfaithful when he is called to the police station to which Meursault agrees Ultimately Raymond is let off with a warning

Border Crossing
Alexander Burry,2016-04-08 Each time a border is crossed there are cultural political and social issues to be considered Applying the metaphor of the border crossing from one temporal or spatial territory into another *Border Crossing Russian Literature into Film* examines the way classic Russian texts have been altered to suit new cinematic environments In these essays international scholars examine how political and economic circumstances from a shifting Soviet political landscape to the perceived demands of American and European markets have played a crucial role in dictating how filmmakers transpose their cinematic hypertext into a new environment Rather than focus on the degree of accuracy or fidelity with which these films address their originating texts this innovative collection explores the role of ideological political and other cultural pressures that can affect the transformation of literary narratives into cinematic offerings

Dispersing the Clouds of Temptation Brian Lightbody, 2015-04-21 In Romans 7:14-25 Paul declares For I do not do the good I want but the evil I do not want is what I do KJV St Paul's statement is a universal truth for all human beings humans whether Christians Jews Muslims Buddhists Hindus or atheists are prone to committing free actions that are not good Furthermore and irrespective of how we might construe the notion of good whether as acting in accordance with some religious or spiritual precept or simply doing what is in one's best interest we often knowingly and freely choose actions that may or in fact do harm us There is a name given to such actions We call them weak-willed Weakness of will or akrasia has perplexed philosophers theologians and laypersons alike for centuries This book reveals why the idea has caused so much bafflement and consternation for so many The main thrust of the work however is to illuminate and inspire Lightbody seeks to demonstrate concretely how and why we are weak-willed By extracting an alchemical touchstone from Plato's middle period philosophy Lightbody in addition reveals how we may transmute harmful appetites into life-edifying passions

Phenomenology Leonard Lawlor, 2014-09-03 After Husserl the study of phenomenology took off in different directions The ambiguity inherent in phenomenology between conscious experience and structural conditions lent itself to a range of interpretations Many existentialists developed phenomenology as conscious experience to analyse ethics and religion Other phenomenologists developed notions of structural conditions to explore questions of science mathematics and conceptualization Phenomenology Responses and Developments covers all the major innovators in phenomenology notably Sartre Merleau-Ponty and the later Heidegger and the major schools and issues The volume also shows how phenomenological thinking encounters a limit a limit most apparent in the aesthetical and hermeneutical development of phenomenology The volume closes with an examination of the furthering of the division between analytic and continental philosophy
