Gauhati University Semester Paper:

Sociology of Education PAPER- EDN: 1.1 M.A. SEMESTER 1 DEPARTMENT OF EDUCATION BODOLAND UNIVERSITY
KHRITISH SWARGIARY,2025-05-01 As the author of Sociology of Education I am delighted to present this book crafted specifically for the M A Semester 1 students of Bodoland University under the Department of Education Paper EDN 1 1 The field of sociology of education holds immense significance in understanding the intricate interplay between education and societal structures My motivation for writing this book stems from a deep conviction that education is not merely an academic pursuit but a transformative social process that shapes individuals and societies alike This book is designed to provide a comprehensive exploration of the sociological foundations of education offering students a lens to critically analyze how social systems cultural dynamics and inequalities influence educational processes and outcomes It aims to bridge theoretical insights with practical implications equipping students with the knowledge to navigate the complexities of education in diverse social contexts particularly within the Indian framework The preface of this book serves as an invitation to engage with the sociological dimensions of education in a structured yet thought provoking manner The content has been meticulously organized to align with the course objectives ensuring that students not only grasp the theoretical underpinnings of sociology of education but also appreciate its relevance in addressing real world educational challenges Drawing from my academic and professional experiences I have woven together classical and contemporary sociological perspectives to make the subject accessible and meaningful Special attention has been given to the Indian social context with discussions on caste class gender and regional disparities making this book a valuable resource for understanding education s role in fostering social equity and mobility I hope this book inspires students to reflect critically on the social forces shaping education and empowers them to contribute to a more inclusive and progressive educational landscape Khritish Swargiary 2025

PRINCIPLES OF MARKETING (For 2nd Semester Students under Gauhati University) DR. RAJU SUBBA,DR. PORAG PACHANI,2025-04-12 Marketing is an essential function of any business bridging the gap between products and consumers In today s dynamic business environment understanding the principles of marketing is crucial for students aspiring to build careers in commerce and management The National Education Policy NEP 2020 emphasizes a multidisciplinary and practical approach to learning encouraging students to develop analytical and decision making skills in real world business scenarios Keeping this in mind Principles of Marketing has been designed to cater to the academic needs of B Com 2nd Semester students of Gauhati University while aligning with the latest developments in marketing strategies and practices This book provides a comprehensive yet simplified approach to the fundamental concepts of marketing ensuring clarity and application oriented learning The content is structured into five well defined units covering key aspects of marketing Unit I Introduction This unit lays the foundation for marketing by exploring its nature scope and importance It traces the evolution of marketing and differentiates it from selling Additionally it introduces the marketing mix and examines

the marketing environment discussing its various components including economic demographic technological natural socio cultural and legal factors Unit II Consumer Behaviour A marketer's success largely depends on understanding consumer behavior This unit explains the nature and importance of consumer behavior the buying decision process and the various factors that influence consumer choices It further explores market segmentation targeting and positioning STP and distinguishes between product differentiation and market segmentation Unit III Product This unit focuses on product concepts and classifications along with the importance of product mix branding packaging and labeling It also discusses product support services the product life cycle and the new product development process The consumer adoption process is explained to provide insights into how consumers accept and use new products Unit IV Pricing and Distribution Pricing is a crucial aspect of marketing strategy This unit delves into the significance of pricing factors affecting price determination and various pricing policies and strategies It also covers distribution channels their types functions and factors affecting their selection Special attention is given to wholesaling retailing e tailing and physical distribution Unit V Promotion and Recent Developments in Marketing This unit discusses the nature and importance of promotion the communication process and the different types of promotion including advertising personal selling public relations and sales promotion It also examines the promotion mix and the factors affecting promotional decisions Additionally this unit introduces students to emerging trends in marketing such as social marketing online marketing direct marketing services marketing green marketing rural marketing and consumerism Throughout the book efforts have been made to present the concepts in a structured and student friendly manner The book includes real life examples case studies and self assessment questions to encourage critical thinking and practical application of marketing concepts This book is expected to serve as a valuable resource for students educators and aspiring marketers We hope it fosters a deeper understanding of marketing principles and equips students with the knowledge required to navigate the ever evolving marketing landscape
