The Flight of Icarus Yiannis Drossos,2020-12-10 This book provides a detailed analysis of the institutional transformations brought about by the financial crisis focusing on the institution building course of Europe and the Constitution bending course in several Member States It discusses the seemingly contradictory interplay between national and European institutions and the law resulting from the crisis arguing that the anti crisis exceptionality constitutes the matrix of the new normality of the reformed European economic governance The author carries out a critical analysis of the new economic governance and its case law with regular reference to relevant political episodes key economic figures and to the hitherto lax modes and rules The author also offers deep insights into the Greek adjustment programme and the crisis related Greek and Portuguese constitutional case law presented in comparison with the German and French case law The book concludes with a critical overview of the profound mutations in the role of national Constitutions instigated by the new European economic governance and the emergence of a democratically deficient meta constitutional mode of functioning of both the European institutions and national Constitutions **Reaching Outward and Upward** Ian MacPherson,2012-06-01 As the year 2013 and the fiftieth anniversary of the University of Victoria approaches Ian MacPherson offers a comprehensive history of one of Canada s most progressive and visually beautiful campuses A reflection on the people history and legacy of UVic once known as Victoria College a satellite of McGill University Reaching Outward and Upward brings five decades of

learning to life From its beginnings in 1963 serving a mere handful of students in a hastily developed site UVic has grown to become one of Canada's leading universities serving over 20 000 students on one of Canada's most stunning university campuses Ian MacPherson examines how this transformation took place despite some difficult phases and all the challenges that accompany institutional transitions the development of new faculties growing student numbers struggles over funding equity issues and computerisation He looks at the university's development during the presidencies of Howard Petch 1975 1990 David Strong 1990 2000 and David Turpin 2000 present and suggests that new ways of knowing changed established disciplines and created new alliances among students and faculty and led to the creation of the numerous research centres for which Uvic is well known A visually rich book including pictures quotations and sidebars Reaching Outward and Upward is above all a story of the communities on campus off campus local national international physical and electronic that together form the University of Victoria

The Making of Twenty-First-Century Richmond Thad Williamson, Julian M. Hayter, Amy L. Howard, 2024-12-02 Richmond Virginia took center stage globally in the summer of 2020 as an epicenter of antiracist protests in the wake of the police murder of George Floyd In a period of just a few weeks overwhelming public support grew for removing Richmond's Confederate monuments Activists then transformed the remaining statue of Robert E Lee into a shrine to African American resolve to the Black Lives Matter movement and to Black victims of police brutality Coming to terms with Richmond's tortured racial history however is much more difficult than toppling symbols of white supremacy This book explores these dynamics via a multidisciplinary framework of historical research public policy analysis and political analysis showing the inner dynamics of politics and governance in Richmond The authors reveal why change and progress has often been so difficult to achieve and why that matters with a focus on three fundamental policy areas education economic development and housing The result is a comprehensive assessment of urban governance in a major southern city in the early twenty first century as well as an accounting of the policy and human consequences of both its limited successes and its recurring failures
