Response to Guiding Question:

The expectations that pip has for himself are that he does not do wrong. He is worried and afraid of stealing from Joe, who is someone he looks up to. He is worried about hurting Joe. This shows that pip is a very good person deep down inside, and that helps the reader to like pip. He feels bad for him, and to identify with him. The expectations other people have for him are different and varied. The convict's expectations for pip are that pip is for pip to bring "wittles" (food) and a file. Pip's sister's expectations for him are that he does what he is told, is grateful and doesn't ask questions. Joe is more of a friend and brother than Joe is a father to him.

working dogs and allowed their owners to avoid paying pet tax Tasked with guarding and moving sheep and cattle across windswept moors and dales they are doubly blessed with brain and brawn Their loyalty and companionship are beyond reproach but it is the breed s sense of fun that is as strongly imprinted in their DNA as their instinct to herd The Old English Sheepdog is often called the clown prince of dogs which is a great indication of the indelible imprint he leaves on owners and breeders alike A large breed adult Old English Sheepdogs reach around 21 22 at the shoulder and weigh as much as 80 pounds Hugely affectionate and attention seeking they will never be far from their owner s side So if personal space is high on your list of priorities this may not be the ideal breed for you As long as an OES is part of the family it doesn t matter if you live in a penthouse or a farmhouse What does matter though is exercise and lots of it Be aware this love of human company also means that your new best friend will not make a good yard dog Everything about this breed is larger than life from their abundant shaggy coat to their outgoing quirky character They also live to around 12 years of age so making this affable breed of dog a member of the family is a long term commitment For all these reasons knowledge of this large breed is essential before committing to welcoming one into your family Are you intending to go down the puppy route or maybe offering a loving home to a rescue dog Then the chapters of this guide will provide you with all the information you need to get the best from your big bouncy bob tail
