Subjective

Lucy said that her cravings have reduced in both severity and frequency, around "1-2 times a day". Lucy stated she is "determined to stay clean this time", citing her daughter as her biggest motivator.

Objective

Lucy was calm and attentive. She displayed no signs of relapsing and drug test results were negative. Lucy's speech was normal in rate and articulation. Weight is stable and unchanged.

Assessment

Lucy appears to be effectively managing her sobriety. Her cravings have reduced and withdrawal symptoms are almost entirely gone. Lucy is performing well at work and has re-established a positive relationship with her daughter.

Plan

Lucy will have weekly sessions for the next month and then we will reassess and likely reduce sessions to fortnightly. Lucy will continue her current treatment plan and is focusing on strengthening her interpersonal relationships, especially with her daughter and other family members.

Group Homes for People with Intellectual Disabilities Tim Clement, Christine Bigby, 2009-10-15 This book paints a picture of life in group homes today The authors propose a framework for increasing community presence and participation and consider the barriers to be overcome in achieving these key goals Topics include the notion of homeliness maintaining a balance between individual and group needs and practice leadership

9 Highland Road Michael Winerip, 2012-07-04 Before Julie Callahan came to the house at 9 Highland Road in Glen Cove New York she had spent a good part of her young life in mental hospitals her mental and emotional coherence nearly destroyed by a childhood of sexual abuse Fred Grasso a schizophrenic had lived in a filthy single room occupancy hotel At 9 Highland Road they and their housemates were given a decent alternative to lives in institutions or in the streets It was a place in which some even found the chance to get better This perfectly observed and passionately imagined book takes us inside one of the supervised group homes that in an age of shrinking state budgets and psychotropic drugs have emerged as the backbone of America s mental health system As it follows the progress and setbacks of residents their families and counselors and notes the embittered resistance their presence initially aroused in the neighborhood 9 Highland Road succeeds in opening the locked world of mental illness It does so with an empathy and insight that will change forever the way we understand and act in relation to that world
