John Wesley Timothy J. Crutcher, 2015-04-01 What people think affects what they do and what people do affects what they think There is no better illustration of this adage than John Wesley the pivotal founder of Methodism For Wesley thinking and living went hand in hand John Wesley His Life and Thought introduces readers to both Wesley s story and his beliefs By neither leaning too much on biography nor focusing solely on theology this book offers a balanced and accessible portrait that couches Wesley s beliefs and ideas firmly within his Life story There are no minutiae or scholarly controversies here This book paints in broad strokes the key events in Wesley s Life that not only influenced his thinking but also his approach to the church the Methodist movement and the society and world beyond For anyone wanting a sound but Lucid introduction to Wesley and his life and work this book should be at the top of the list It doesn t just familiarize the reader with Wesley but paves the way for deeper study Book jacket

**John Wesley** Prof. Kenneth J. Collins, 2003-06-01 John Wesley A Theological Journey has been nominated for a Wesleyan Theological Society Book Award Abingdon Press would like to congratulate Kenneth Collins on this honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley s theology However most of this work has been thematic in organization studying Wesley s thought according to a topical or systematic outline The weakness of this approach argues Kenneth J Collins is that it fails to demonstrate the evolution and changes of Wesley s theology What is called for is a historical presentation one that examines the development of Wesley s theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley s theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley s theology took place John Wesley A Theological Journey will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader s theological development and contribution *John Wesley* Robert G. Translated by the Rev. A. J. French, Etc** Matthieu Lelièvre, 1871 John Wesley, his life and work, tr. by A.J. French Matthieu Lelièvre, 1900 The Future of John Wesley's Theology Tex Sample, 2012-02-21 This book approaches the future of John Wesley s theology in terms of a preferred future by looking back to the Apostle Paul In a comparison of Wesley s theology with the writings of St Paul Tex Sample maintains that Wesleyans tend to read Paul through Wesley but that in the future we need to read Wesley through Paul Key issues between Wesley and Paul are considered in this book justification by faith sanctification the faith in of Christ the powers the individual social concept in Wesley that is absent in Paul and finally the issue of a justice of the common good The conclusion develops the implications of this study for the future of the church and its witness *The Devil's Redemption : 2 Volumes* Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God s goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone **The Limits of a Catholic Spirit** Kelly Diehl Yates, 2021-10-07 The Limits of a Catholic Spirit fills the gap that is John Wesley and Catholicism No other book has provided such an in depth study of the perils Wesley faced when he encountered Catholicism With the use of rare primary sources that tell of anti Methodist riots in Ireland to Wesley s preachers getting kidnapped and forced to serve in the army this study will

provide you with historical information you've never encountered. It will explore questions that have held Wesley scholars captive for decades: Was John Wesley responsible for sparking the anti-Catholic Gordon Riots of 1780 in London? Kelly Yates searched eighteenth-century documents in the National Archives of the United Kingdom to find out. Was John Wesley aligned with the Jesuits? Was John Wesley a Jacobite, an enemy of the British Crown? Did John Wesley require Irish Catholics to denounce Catholicism to join Methodist societies? By the end of *The Limits of a Catholic Spirit*, you'll find answers to all these questions and more.

**The Spectator**, 1899. A weekly review of politics, literature, theology, and art.

**A Plain Account of Christian Faithfulness**. Rob A. Fringer, Dean G. Smith, 2020-05-04. The title of this work, *A Plain Account of Christian Faithfulness*, is a play on John Wesley's famous book *A Plain Account of Christian Perfection*. It reflects the focus, character, and actions of David B. McEwan, for whom this book has been dedicated. The essays have been written by scholars from around the globe, each focusing on an aspect of faithfulness from a Wesleyan perspective and covering the broad disciplines of Bible, theology, history, and pastoral theology. This book has something for everyone and ultimately invites the reader into deeper Christian faith and faithfulness.

**John Wesley's Teachings, Volume 3**. Thomas C. Oden, 2013-01-22. John Wesley's *Teachings* is the first systematic exposition of John Wesley's theology that is also faithful to Wesley's own writings. Wesley was a prolific writer and commentator on Scripture; his collected works fill eighteen volumes, and yet it is commonly held that he was not systematic or consistent in his theology and teachings. On the contrary, Thomas C. Oden demonstrates that Wesley displayed a remarkable degree of internal consistency over sixty years of preaching and ministry. This series of 4 volumes is a text-by-text guide to John Wesley's teaching. It introduces Wesley's thought on the basic tenets of Christian teaching: God, providence, and man. Volume 1: Christ and salvation; volume 2: the practice of pastoral care; volume 3: and issues of ethics and society; volume 4: In everyday modern English, Oden clarifies Wesley's explicit intent and communicates his meaning clearly to a contemporary audience. Both lay and professional readers will find this series useful for devotional reading, moral reflection, sermon preparation, and for referencing Wesley's opinions on a broad range of pressing issues of contemporary society.

**John Wesley and the American Frontier**. John Beeson, 2007-11. This book seeks to understand John Wesley's theology, which when put into practice gave birth to a great evangelical revival in the English-speaking world of the eighteenth century. On the American Frontier in the late eighteenth century and early nineteenth century, Wesley's theology underwent some significant changes. These changes were in key areas of Wesley's theology: the doctrines of Grace, Christian perfection, and his theology of worship and sacraments. There have always been those who seek church renewal through a return of the old-time religion, the religion of the frontier. This book suggests that we in the twenty-first century need to go back further than the American frontier in our search for church renewal back to Wesley's theology, unfiltered through the frontier. Dr. Beeson is retired after forty-four years as a United Methodist pastor and District Superintendent in the Western New York Conference. In retirement, he has had time to write this book, which has been in the back of his mind for years. He has been a Chaplain in

the Army Reserve with the final rank of captain executive secretary of the Genesee County Council of Churches mayor of the village of Barker N Y and theology professor in Burundi Africa He has written two other books They Gathered at the Cross 1967 and Deep Pools 1978 a study guide for laity Theology 101 and a course of study for pastors in Burundi Dr Beeson and his wife Eva have three grown children and several grandchildren all of whom they are very proud **The Christian Library: The life of the Rev. Simon,2016-01-28 **John Wesley, Natural Man, and the 'Isms'** J. Robert Ewbank,2009-06-05 Founder of the Methodist Church is one of the world s greatest religious figures A practical rather than systematic theologian he wrote and preached for the common man He is well known as a man of one book the Bible but he read like no other during his time We are left with fourteen volumes of his works and eight each of his letters and journals His brother became the troubadour of Methodism writing countless hymns John also took classic Christian works and edited them for the common man to read And if this were not enough he preached thousands of times both indoors and out J Robert Ewbank examines In what Wesley thought about other religions Did he think all religions were from God and therefore there was little difference between them or did he think that there is uniqueness in Christianity Was he concerned about other philosophies and thoughts about religion popular in his day What did he think about Natural Man the Indians the Deists the Jews the Roman Catholics and the Mystics Were they also fine with him or did he discuss the differences between them revealing where he found them wrong Furthermore what did Wesley think about the possibility of salvation for all those who held to these other positions Did he find that it is possible for them to be saved by a loving God or have they stepped outside of the bounds therefore requiring extreme difficulty to be saved In a time of enormous stress on the entire human family as we try to understand appreciate and celebrate our diversity J Robert Ewbank has given us an excellent resource to help us deeply consider the issues and continue to affirm the core values and theology of the Christian movement Rueben P Job author of Three Simple Rules John Wesley George Eayrs,2010-11-01
