## **Journey Of The Angels The Tobias Materials:**

*Journey of the Angels* Geoffrey Hoppe, Linda Hoppe, 2013-05-01 Tobias is the entity who first appeared to Geoffrey Hoppe on an airplane in 1997 Tobias is an angelic being who has lived many lifetimes on Earth and came back through the angelic realms for what he calls the biggest evolution of consciousness humanity has ever experienced He lovingly assists those who are going through spiritual transformations seeking to integrate their divinity with their humanity and rediscovering the God within His spiritual and inspirational messages have been delivered through Geoffrey and Linda Hoppe for many years Journey of the Angels is an allegory told by Tobias through the Hoppes his most powerful and positive statement yet The key to spiritual transformation lies in the absolute surrender to the love of self and in the total acceptance of everything we have chosen to experience in the density of this third dimensional realm Ascension occurred in the moment when I said I Am That I Am and I love everything about myself without shame without guilt without reservation without ifs ands or buts Ascension occurred when I surrendered into who I actually am rather than to the aspects I had created trying to pretend I was something else Ascension occurred when I knew within my heart that I am I always was and I always will be We came to forget to remember and finally to know That s who we are why we are here that is the path we have chosen and our purpose for choosing Tobias

crossroads on our spiritual journey      Act of Consciousness Adamus Saint-Germain, Linda Benyo Hoppe, Geoffrey Hoppe, 2015-03-20 Life is an act We act like humans and therefore we experience like humans with a litany of limitations shortcomings and drama that mask our underlying angelic consciousness It s an unnatural act that we have come to accept as reality In Act of Consciousness Ascended Master Adamus Saint Germain begins by explaining the metaphysics of energy He defines the difference between consciousness and energy and makes the clear point that we are beings of consciousness not energy and that the passion of our pure consciousness attracts energy from the unified field to manifest our reality Adamus defines the four primary levels of energy including Core soul Crystalline Cosmic and Earth while educating the reader about how the various levels are used by our consciousness to manifest our stage of life Adamus implores the reader to act like a Master rather than acting like a less than perfect human This act will literally change the type of energy being attracted into the reader s life and therefore change the reality theatre one exists within Some readers will question this approach saying It s not real because it s just an act to which Adamus will reply But everything in your life is just an act so why not act like a prosperous healthy and wise Master This will change the theatre of your life but the real question is Are you really ready for a substantial change or are you just trying to tidy up your current stage It s a remarkably simple and effective approach to an otherwise mental and laborious process of becoming your full potential Act of Consciousness will make you laugh make you angry and make you question your old beliefs about how reality is created and experienced By the time you read Saint Germain s last words you will cry a few tears of joy and relief to know that life is as easy as an Act of Consciousness Saint Germain had many notable past lives including that of William Shakespeare and Mark Twain Samuel Clemens These lifetimes gave him an appreciation for the theatre acting and story telling Book length Approximately 30 000 words      *Memoirs of a Master* Geoffrey Hoppe, Adamus Saint-Germain, 2016-11-17 Memoirs of a Master is a book of short stories told by Adamus Saint Germain as part of his lectures to audiences around the world The stories are based on or inspired by actual experiences and are designed to help you see yourself as both the Master and the student The student in each memoir is generally a compilation of many people and the stories take place in contemporary life The Master can be perceived as Adamus or any other enlightened teacher but ultimately it is you The stories are based on some of the more complex teachings of Adamus Saint Germain By putting this sacred information into story form it becomes more personal more understandable and perhaps more entertaining And woven into each story you will find profound insights and many layers of wisdom Memoirs of a Master is dedicated to the Master and the student within each of us      *Tobit* Beate Ego, 2025-07-16 This commentary sets the ancient Jewish story of Tobit within a broad tradition historical context analyzing the conceptions of angels and demons it contains as well as its notions of ancient medicine together with its understanding of the Torah Presented along with this is a synchronically oriented interpretation of the whole text which shows that the narrative should ultimately be understood in terms of historical theology It reveals how in the days of Hellenistic rule ancient

Judaism was able to cope with the threat from the aggressive politics of the empires Within this context the elderly Tobit's hymn of praise at the end of the narrative in Tob 13 opens a vista of hope for its addressees *Ordo et Sanctitas: The Franciscan Spiritual Journey in Theology and Hagiography*, 2017-06-01 This volume *Ordo et Sanctitas The Franciscan Spiritual Journey in Theology and Hagiography* which celebrates the life and legacy of J A Wayne Hellmann is comprised of articles written by colleagues former students and associates The authors were invited to contribute their own articles within three broad categories corresponding with the areas in which Wayne has made a longstanding scholarly contribution Franciscan hagiographical texts especially Thomas of Celano medieval theology and the Bonaventurian theological tradition and the retrieval of the Franciscan tradition in a contemporary context All of the essays in the volume build upon and expand in new directions the contributions of our honoree in these areas Contributors are Regis J Armstrong Joshua C Benson Michael Blastic Joseph Chinnici Michael F Cusato Jacques Dalarun J Isaac Goff Jay M Hammond Timothy J Johnson John Kruse Steven J McMichael Juliet Mousseau William Short Laura Smit and Katherine Wrisley Shelby [A Brief History of Angels and Demons](#) Sarah Bartlett, 2011-11-03 Throughout history the human quest for knowledge of the divine has ruffled the wings of many an angel but also tested the wrath of the demon This book not only traces the history of angels and demons from their earliest roots to their modern day renaissance but also reveals their most intimate secrets Whether through personal stories literature myth religion or art this book is the story of how belief in angels and demons has cast a powerful spell over the popular imagination [The Creation and the Angels](#) Heralds of the Gospel, 2015-11-15 Who are the Angels Where do they live What do they do Find all your answers on these comprehensive eBook through 107 fully illustrated pages Through His fatherly Providence God our Lord has given us a friend and more a brother completely selfless concerned only with our well being and endowed with great power to intercede with the Divine Majesty Using the very words of the Holy Spirit we can say that whoever has found a real friend has found a treasure Nothing is worth as much as a faithful friend his value is beyond measure Ecclesiastes 6:14-15 This treasure dear reader can be better understood and loved by reading this book which is about the beautiful work of the creation of the universe and the most noble of creatures to come from the hand of the divine Artist the Angels **The Unknown Battles That Lie Beyond the Grave** Sylvester Alex Bosch, 2023-08-18 The red hot saucy chatter was that on the day Manku rescued Joanna from the sewer hole she wasn't wearing any knickers It was therefore alleged the four men got more than they bargained for during the rescue mission Trump suddenly woke up as though from a slumber He was no longer in the rough and choppy waters He soon realised that his body was different and that he wasn't alone As he stood there in awe and disbelief suddenly he was surrounded by seven individuals adorned in bodies similar to his He responded that for his first mission he was inclined to pick Combat Ghosts from one class only from the class of the dead evil men and women It was just the beginning He was in for a rude shock [The ^A^I Revelations ^R of St. Birgitta of Sweden](#) Bridget Morris, 2008-10-07 This is the second of four volumes and it contains Book IV and Book V of
