Women's Narratives of Health Disruption and Illness Jennifer M. Hawkins,Peter M. Kellett,2019-06-28 Through vivid and engaging narrative accounts written and collected by women Women s Narratives of Health Disruption and Illness Within and Across Their Life Stories explores how women experience the health disruptions and illnesses that span their lives The collection examines how women s broader and ongoing life stories impact and are impacted by health disruptions and illnesses Organized into three parts the chapters explore Beginnings in which health disruptions and illnesses impact early life motherhood and where early choices create the origins of health issues that impact later life Middles which explores health experiences in and around middle age or from the standpoint in middle age looking back and forth and Endings which explores narratives of ageing and end of life communication Personal revealing and often beautiful the women s narratives featured in this book will invite the reader into the stories and lives of others and toward the reflection learning and personal transformation that comes from truly connecting with the experiences of others This book will be helpful for scholars of communication health women s studies family studies and sociology Older Women in Europe Isabella Paoletti,2022-09-30

This book is about older women s strength freedom tenacity determination resilience independence social and political involvement and in particular it is about re imagining ageing Older women represent the great majority of older people The book describes instances of age and gender discrimination and examples of social inclusion and protagonism of older women in Europe It solicits a change in perspective focusing on the necessary societal changes to make space to older people and older women in particular How is society going to address age and gender discrimination in social and institutional settings How should work settings change to effectively make space to older workers and in particular older women How should the pension system change How could public health systems could provide effective care to older people and be sustainable This edited collection focuses on older women s rights rather than their needs adopting a human rights based approach Preservation of older women s dignity autonomy and security is its central topic that is ensuring that their rights are recognised This collection offers insights valuable to a wide array of human rights activists professionals policymakers and social scientists and older women themselves Women Writers of the Renaissance and Reformation Katharina M.

Wilson,1987 The dawn of humanism in the Renaissance presented privileged women with great opportunities for personal

and intellectual growth Sexual and social roles still determined the extent to which a woman could pursue education and intellectual accomplishment but it was possible through the composition of poetry or prose to temporarily offset hierarchies of gender to become equal to men in the act of creation Edited by Katharina M Wilson this anthology introduces the works of twenty five women writers of the Renaissance and Reformation among them Marie Denton a Swiss evangelical reformer whose writings were so successful they were banned during her lifetime Gaspara Stampa a cultivated courtesan of Venetian aristocratic circles who wrote lyric poetry that has earned her comparisons to Michelangelo and Tasso Helene de Crenne a French aristocrat who embodied the true spirit of the Renaissance feminist writing both as novelist and as champion of her sex Helene Kottanner Austrian chambermaid to Queen Elizabeth of Hungary whose memoirs recall her daring theft of the Holy Crown of Saint Stephen for her esteemed mistress and Lady Mary Sidney Wroth the first Englishwoman known to write a full length work of fiction and compose a significant body of secular poetry Offering a seldom seen counterpoint to literature written by men Women Writers of the Renaissance and Reformation presents prose and poetry that have never before appeared in English as well as writings that have rarely been available to the nonspecialist The women whose writings are included here are united by a keen awareness of the social limitations placed upon their creative potential of the strained relationship between their gender and their work This concern invests their writings with a distinctive voice one that carries the echoes of a male aesthetic while boldly declaring battle against it

Cultural Journeys into the Arab World Dalya Cohen-Mor, 2018-09-01 A diverse collection of fiction and nonfiction literature from across the Arabic speaking world Cultural Journeys into the Arab World provides a fascinating window into Arab culture and society through the voices of its own writers and poets Organized thematically the anthology features more than fifty texts including poems essays stories novels memoirs eyewitness accounts and life histories by leading male and female authors from across the Arabic speaking world Each theme is explored in several genres both fiction and nonfiction and framed by a wealth of contextual information that places the literary texts within the historical political cultural and social background of the region Spanning a century of Arab creative writing from the dean of Arabic letters Taha Hussein to the Nobel laureate Naguib Mahfouz and the celebrated poet Adonis the anthology offers unforgettable journeys into the rich and dynamic realm of Arab culture Representing a wide range of settings viewpoints and socioeconomic backgrounds the characters speak of their conditions aspirations struggles and achievements living in complex societies marked by tensions arising from the persistence of older traditions and the impact of modernity Their myriad voices paint a vivid and intimate portrait of contemporary Arab life in the Middle East revealing the common humanity of a region of vital significance in world affairs

Some Famous Women Louise Creighton, 2022-06-02 In Some Famous Women Louise Creighton presents an engaging compilation of biographies that elegantly blend historical richness with spiritual fervor chronicling the lives of influential Christian women through the ages The book's literary style is characterized by its accessible prose and meticulous research offering readers insight into the

private and public spheres where these women exerted their influence From the trials and tribulations of devout figures to the scholarly achievements of contemplative nuns Creighton paints a panorama of female fortitude and faith Chief among the accounts is that of St Hilda a beacon of early Christian education and piety in a time when a woman s life was predominantly confined to marriage or monasticism The historical milieu depicted spans a period of formative change for the role of women in society and the church with the biographies providing a tangible connection to the past that remains relevant to contemporary discussions on gender and spirituality Louise Creighton an accomplished historian draws from her profound understanding of women s history and Christian traditions to compile this collection Her nuanced portrayal of these women s lives reflects an empathetic and scholarly approach likely influenced by her own experiences and observations regarding the evolving role of women during her lifetime Cradled in an era that saw significant shifts in women s social status Creighton harnesses the power of narrative to ensure the contributions of these eminent women are recognized appreciated and remembered Some Famous Women is a testament to Creighton s dedication to the subject and her desire to illuminate the often overlooked impact of women in Christian history This book is recommended for those interested in hagiography women s studies and church history offering readers an inspiring journey through the lives of women who shaped their world with steadfast conviction and intellectual prowess Creighton s work is not merely a historical account it is an homage to resilience and scholarship that will resonate with anyone fascinated by the intersection of faith gender and history Readers with an appreciation for biographical literature and the untold stories of the past will find Creighton s narratives both enlightening and empowering

Kihato,2013-11-07 Through rich stories of African migrant women in Johannesburg this book explores the experience of living between geographies Author Caroline Kihato draws on fieldwork and analysis to examine the everyday lives of those inhabiting a fluid location between multiple worlds suspended between their original home and an imagined future elsewhere

Women with Mustaches and Men without Beards Afsaneh Najmabadi,2005-04-25 Drawing from a rich array of visual and literary material from nineteenth century Iran this groundbreaking book rereads and rewrites the history of Iranian modernity through the lens of gender and sexuality Peeling away notions of a rigid pre modern Islamic

gender system Afsaneh Najmabadi provides a compelling demonstration of the centrality of gender and sexuality to the shaping of modern culture and politics in Iran and of how changes in ideas about gender and sexuality affected conceptions of beauty love homeland marriage education and citizenship She concludes with a provocative discussion of Iranian feminism and its role in that country's current culture wars In addition to providing an important new perspective on Iranian history Najmabadi skillfully demonstrates how using gender as an analytic category can provide insight into structures of hierarchy and power and thus into the organization of politics and social life

Journeys into Darkness James Goho, 2014-03-06 The tradition of supernatural horror fiction runs deep in Anglo American literature From the Gothic novels of the eighteenth century to such contemporary authors as Stephen King and Anne Rice writers have employed horror fiction to unearth many disquieting truths about the human condition ranging from mistreatment of women and minorities to the ever present dangers of modern city life In *Journeys into Darkness: Critical Essays on Gothic Horror* James Goho analyzes many significant writers and trends in American and British horror fiction Beginning with Charles Brockden Brown's disturbing novels of terror and madness Goho proceeds to discuss the influence of Edgar Allan Poe's *The Fall of the House of Usher* on H P Lovecraft who is treated in several penetrating essays Lovecraft was a uniquely philosophical writer and Goho approaches his work through the lens of existentialist philosopher Søren Kierkegaard while also probing Lovecraft's racism as exhibited in several tales about Native Americans Goho also discusses the Welsh writer Arthur Machen's tortured tales of suffering and evil and Algernon Blackwood's numerous stories set in the wilds of the Canadian backwoods The book concludes with a centuries spanning essay on the witchcraft theme in the American Gothic tradition and a comprehensive essay on Fritz Leiber's invention of the urban Gothic In this wide ranging study James Goho examines the varied ways in which supernatural fiction can address the deepest moral social and political concerns of the human experience *Journeys into Darkness* will be of interest to readers and scholars of horror fiction and to students of literary history and culture in general

Sex and Sexuality in Early America Merrill D. Smith, 1998-09 Sex and sexuality have always been the subject of much attention both scholarly and popular Yet accounts of the early years of the United States tend to

overlook the importance of their influence on the shaping of American culture This book addresses this neglected topic with original research covering a wide spectrum from sexual behavior to sexual perceptions and imagery and more **Women's Health in Canada** Olena Hankivsky, Colleen Varcoe, Marina Helen Morrow, 2007-01-01 This volume fills a gap in Canadian healthcare scholarship by providing a resource for teaching and understanding women's health in this country **Victorian Women and the Economies of Travel, Translation and Culture, 1830-1870** Judith Johnston, 2016-02-24 Both travel and translation involve a type of journey one with literal and metaphorical dimensions Judith Johnston brings together these two richly resonant modes of getting from here to there as she explores their impact on culture with respect to the work of Victorian women Using the metaphor of the published journey whether it involves actual travel or translation Johnston focusses particularly on the relationships of various British women with continental Europe At the same time she sheds light on the possibility of appropriation and British imperial enhancement that such contact produces Johnston's book is in part devoted to case studies of women such as Sarah Austin Mary Busk Anna Jameson Charlotte Guest Jane Sinnett and Mary Howitt who are representative of women travellers translators and journalists during a period when women became increasingly robust participants in the publishing industry Whether they wrote about their own travels or translated the foreign language texts of other writers Johnston shows women were establishing themselves as actors in the broad business of culture In widening our understanding of the ways in which gender and modernity functioned in the early decades of the Victorian age Johnston's book makes a strong case for a greater appreciation of the contributions nineteenth century women made to what is termed the knowledge empire **Translating Women** Luise von Flotow, 2011-03-08 Feminist theory has been widely translated influencing the humanities and social sciences in many languages and cultures However these theories have not made as much of an impact on the discipline that made their dissemination possible many translators and translation scholars still remain unaware of the practices purposes and possibilities of gender in translation Translating Women revives the exploration of gender in translation begun in the 1990s by Susanne de Lotbinière Harwood's *Re belle et infidèle* The Body Bilingual 1992 Sherry Simon's *Gender in Translation* 1996 and Luise von Flotow's *Translation and Gender* 1997 Translating Women complements those seminal texts by providing a wide variety of examples of how feminist theory can inform the study and practice of translation Looking at such diverse topics as North American chick lit and medieval Arabic Translating Women explores women in translation in many contexts whether they are women translators women authors or women characters Together the contributors show that feminist theory can apply to translation in many new and unexplored ways and that it deserves the full attention of the discipline that helped it become internationally influential

Modernist Short Fiction by Women Dr Claire Drewery, 2013-05-28 Taking on the neglected issue of the short story's relationship to literary Modernism Claire Drewery examines works by Katherine Mansfield Dorothy Richardson May Sinclair and Virginia Woolf Drewery argues that the short story as a genre is preoccupied with transgressing boundaries and thus

offers an ideal platform from which to examine the Modernist fascination with the liminal. Embodying both liberation and restriction, liminal spaces on the one hand enable challenges to traditional cultural and personal identities while on the other hand they entail the inevitable negative consequences of occupying the position of the outsider: marginality, psychosis, and death. Mansfield, Richardson, Sinclair, and Woolf all exploit this paradox in their short fiction, which typically explores literal and psychological borderline states that are resistant to rational analysis. Thus their short stories offered these authors an opportunity to represent the borders of unconsciousness and to articulate meaning while also conveying a sense of that which is unsayable. Through their concern with liminality, Drewery shows these writers contribute significantly to the Modernist aesthetic that interrogates identity, the construction of the self, and the relationship between the individual and society.
