JOURNEY'S END Bj James,2011-07-15 THE LONER Brooding Ty O Hara was not looking forward to being saddled with a mysterious alluring woman as a houseguest at his isolated Montana ranch But Ty could sense Black Watch agent Merrill Santiago needed healing and comfort and much more THE LADY Hoping to drive away the painful demons of her past Merrill

retreated to Ty's ranch for a winter of peace and quiet only to discover the most dangerous man she'd ever met. Because she was falling for a man who threatened to tear down her protective walls. **THE BLACK WATCH** Men and women sworn to live and love by a code of honor. **Threshold Concepts on the Edge** Julie A. Timmermans, Ray Land, 2019-12-30 Since the first literature about the Threshold Concepts Framework was published in 2003 a considerable body of educational research into this topic has grown internationally across a wide range of disciplines and professional fields. Successful negotiation of a threshold concept can be seen as crossing boundaries into new conceptual space or as a portal opening up new and previously inaccessible ways of thinking about something. In this unfamiliar conceptual terrain fresh insights and perceptions come into view and access is gained to new discourses. This frequently entails encounters with troublesome knowledge, knowledge which provokes a liminal phase of transition in which new understandings must be integrated and importantly prior conceptions relinquished. There is often double trouble in that letting go of a prevailing familiar view frequently involves a discomfiting change in the subjectivity of the learner. We become what we know. It is a space in which the learner might become stuck. **Threshold Concepts on the Edge** the fifth volume in a series on this subject discusses the new directions of this research. Its six sections address issues that arise in relation to theoretical development, liminal space, ontological transformations, curriculum, interdisciplinarity and aspects of writing across learning thresholds. **Journey'S Chosen** B. K. Parent, 2017-03-22 At the great summer fair at the capital a little less than a year ago the Gylden Sirklene challenge, Sommerhjems ancient way for choosing rulers, was called. Forcing Regent Cedric Klingflug to step down. The governing of the country was turned over to an interim ruling council. One year to the day the challenge was called all nine pieces of the oppgave ring must be brought to the capital. It is now the start of the summer fair season but only seven of the pieces of the oppgave ring have been safely delivered to the capital. With few scant weeks left before the great summer fair the rules governing the Gylden Sirklene challenge need to be fulfilled. Time is running out for both those who support the Crown and those who support the former regent. All too soon Nissa Carz and her fellow ring carriers are caught up in a race against time desperate to find the final pieces of the oppgave ring in order to initiate the challenge and return to the ancient way of choosing the rightful ruler of Sommerhjem. **Journey'S End** Neil L. Hawkins, 2015-04-17 In this second sequel to *The Book in the Loft* the stars suddenly vanish and then reappear throwing the crews of the Circle of Planets starship Explorer and the Surion battle cruiser Doras into a distorted universe. And shortly after a battle with aliens from out of Earth's past two of Explorer's crew disappear. Captain Jon Varkon and Surion Captain Korron then set out to find the cause that twisted space and time. Their journey takes them to the secrets of creation gone wrong to loss, abandonment and death with no idea how to return to the life they knew. **Mickey Price: Journey to Oblivion** John P. Stanley, 2013-08-19 The moon is under threat of a nuclear meltdown due to a space station malfunction. Journey's End Kevin Wilson, 2010-06-10 A brilliant insight into life in the air and on the ground Observer In February 1945 British and American bombers rained down thousands of tons of incendiaries on the city of Dresden killing an estimated 25 000 people and destroying one of the most beautiful cities in Europe The controversy that erupted shortly afterwards and which continues to this day has long overshadowed the other events of the bomber war and blighted the memory of the young men who gave their lives to fight in the skies over Germany Journey's End neither condemns nor condones the bombing of Dresden but puts it in its proper context as part of a much larger campaign To the young men who flew over Germany night after night there were other much more pressing worries the V2 rockets that threatened their loved ones at home the brand new German jet fighters that could strike them at speeds of over 600mph They lived life at a heightened tempo during these final unforgiving months of the bomber war when no quarter was given on either side As the climactic volume in Kevin Wilson's acclaimed bomber war trilogy Journey's End chronicles the brutal endgame of a conflict that caused such devastation and tragedy on both sides

Desert Journey Jerry Burgener, 2007-07 Time and experiences had left lines on my face which had grown deeper like the dusty trails of my life that I seemed to be retracing Reeling from yet another relationship failure Jerry travels to the American Southwest to spend a couple of months riding his horse savoring the warm weather and finding respite from the daily grind But what begins as a simple escape to the wide open spaces of Arizona soon becomes a powerful odyssey of self discovery When Jerry comes upon an Indian named Tom in the middle of the Superstition Mountains he senses that the meeting is no casual encounter Wise

and unreserved Tom speaks to Jerry with a knowingness that both unnerves and captivates him Jerry is compelled to return to the mountain again and again to accept Tom s challenges exercises and assignments for living in the moment tuning into the love all around him and honoring a connection to Spirit With Tom as his guide Jerry uses dreams and visions of his own past lives to make sense of his modern reality Tom s lessons cause Jerry to question long held beliefs but they also afford him the insight he needs to move beyond pain and make his metaphysical journey toward inner peace and enlightenment
