The Supreme Court & Judicial Review

Why is it called 'Marbury v. Madison'?

Marbury v. Madison (1803) is a landmark case in which the Supreme Court established the principle of judicial review, the power of the federal courts to declare laws and executive actions unconstitutional.

Judicial Review

Judicial review is the power of the courts to examine and declare laws and executive actions unconstitutional. It is a key feature of the American system of government, ensuring that the other branches of government do not exceed their powers.
