a delusional frenzy his mother and sisters in the vanguard and tear him limb from limb The episode abounds in themes of abiding interest not least the clash between the authoritarian personality of Pentheus who embodies law and order masculine prowess and the martial ethos of his city and Bacchus a somewhat effeminate god of orgiastic excess who revels in the delusional and the deceptive the transgression of boundaries and the blurring of gender distinctions This course book offers a wide ranging introduction the original Latin text study aids with vocabulary and an extensive commentary Designed to stretch and stimulate readers Gildenhard and Zissos s incisive commentary will be of particular interest to students of Latin at AS and undergraduate level It extends beyond detailed linguistic analysis to encourage critical engagement with Ovid s poetry and discussion of the most recent scholarly thought
