Lesbian Intimacies and Family Life Rebecca Jennings, 2023-11-16 Focusing on patterns of intimacy this book traces the historical roots of parenting practices and familial patterns constructed by lesbians and same sex attracted women living in Britain and Australia between 1945 and 2000 It foregrounds women s unique lived experiences as they expressed desire fell in love and created families against the backdrop of changing cultural legal and medical attitudes to female same sex desire in the late 20th century Including almost 100 original oral history interviews conducted by the author Lesbian Intimacies and Family Life reveals the subjective histories of lesbian intimacy during the period both highlighting the huge variety in women s experiences and tracing shifting patterns of relationship and family formation Combined with analysis of representations of lesbian intimacy in literature press articles medical texts and archival material the book demonstrates the ways in which changing political and cultural concepts of sexuality impacted on individual and collective attitudes With a unique transnational perspective Jennings uncovers how feminist and lesbian networks between Britain and Australia promoted knowledge sharing and helped foster change in the familial practices of each country such as through the adoption of reproductive technologies and alternate routes into motherhood Through considering the rise of divorce and challenges to traditional marriage practices in the period this book highlights how lesbian relationships provided alternative models of interpersonal relations impacting on broader patterns of sexuality and helping redefine notions of the family in the modern era

Remedies Concerning Enforcement of Foreign Judgements Vesna Rijavec, Wendy Kennett, Tomaž Keresteš, Tjaša Ivanc, 2018-09-14 Brussels I Recast Regulation No 1215/2012 on the recognition and enforcement of judgments in civil and commercial matters is intended to simplify and expedite cross border enforcement of debts However some existing issues remain unresolved and new ones have already been identified since the Regulation entered into force in 2015 This collection of expert essays the first book to focus systematically and comprehensively on the area of remedies in the light of Brussels I Recast offers detailed analyses of inherent problems and includes practical hypothetical cases illustrating major issues and how they may be resolved The aspects covered by the contributors all well known academics lawyers and judges from different EU Member States include the following grounds for refusal of recognition and enforcement certification of enforceability and timely service of the certificate adaptation of enforcement measures that are determined in the judgment but are not known in the Member State of enforcement effect of requesting a

translation of the judgment nancial implications of remedies and provisional measures and their role in a timely protection of rights Because the success of Brussels I Recast depends on a very unpredictable implementation into national systems the extent to which national barriers represent obstacles to fair and ef cient judicial protection is thoroughly examined A very useful concluding chapter presents practical cases highlighting the most important as well as problematic issues concerning enforcement of foreign judgments The in depth analyses conducted by the contributors clearly de ne serious obstacles and propose solutions that will lead to better implementation of Brussels I Recast better protection of party s rights and further harmonisation in this eld of civil justice This book is sure to be of exceptional value to counsel for multinational enterprises EU and Member State legislators enforcement agencies and academics worldwide

CJEU Case Law in Direct Taxation: Territoriality and Fundamental Freedoms Stephanie Zolles,2023-07-13 The principle of territoriality and the fundamental freedoms The tension between the fundamental freedoms and the sovereignty of the Member States is omnipresent in the CJEU s case law on direct taxation A significant number of cases concerned one of the core principles in national tax laws the principle of territoriality Although this principle is continuously mentioned in cases concerning the compatibility of direct tax measures with the fundamental freedoms the case law seems to provoke more questions than answers This book provides guidance on the meaning of territoriality in the CJEU s case law on direct taxation as well as on the role which this principle plays in the compatibility of domestic direct tax measures with the fundamental freedoms During a critical and dogmatically oriented journey through the CJEU s case law the reader can enjoy a comprehensive analysis containing references to more than 300 cases Without a doubt this timeless reflection of the tension between the principle of territoriality and the fundamental freedoms is not only interesting from a dogmatic perspective but also from a tax policy one

The Nature and Enforcement of Choice of Court Agreements Mukarrum Ahmed,2017-10-05 PRAISE FOR THE BOOK This constitutes a work of impressive scholarship that will become a major reference point for future discourse on choice of court agreements Dr Ahmed advances a firm thesis in a lucid manner that will satisfy both academics and practitioners The discussion is supported by a monumental foundation of underpinning research Ahmed s monograph throughout shows clear understanding of underlying substantive laws and in Chapter 11 displays a refreshing willingness to engage in intelligent speculation on the implications of Brexit Professor David Milman University of Lancaster The book is an excellent attempt to understand the theoretical underpinnings of choice of court agreements in private international law Anyone with an interest in the theory and practice of choice of court agreements in particular in mechanisms for their enforcement should read this book They will find much of value by doing so Professor Paul Beaumont University of Aberdeen from the Series Editor s Preface This book examines the fundamental juridical nature classification and enforcement of choice of court agreements in international commercial litigation It is the first full length attempt to integrate the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation the Hague Convention on Choice of Court Agreements Hague Convention

and the English common law jurisdictional regime into a theoretical framework In this regard the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of choice of court agreements before the English courts In the process it both pre empts and offers innovative solutions to issues that may arise under the jurisprudence of the emergent Brussels I Recast Regulation and the Hague Convention The need to understand the nature and enforcement of choice of court agreements before the English courts from the perspective of the EU private international law regime and the Hague Convention cannot be understated This important new study aims to fill an existing gap in the literature in relation to an account of choice of court agreements which explores and reconnects arguments drawn from international legal theory with legal practice However the scope of the work remains most relevant for cross border commercial lawyers interested in crafting pragmatic solutions to the conflicts of jurisdictions

Posting of Workers in EU Law Matteo Bottero,2020-12-11 Bulletin of Comparative Labour Relations Volume 108 The progressive expansion of the phenomenon of posting of workers the practice whereby a worker is sent for a limited period of time to another Member State in order to provide a service is a formidable bone of contention in the conflict between a fully integrated internal market economy and Member States aims to protect domestic social standards This book

challenges the recently adopted Directive EU 957 2018 which came into effect in July 2020 by examining the relevant EU regulatory framework and investigating the actual quantitative dimension of the posting phenomenon and its real impact on the EU labour market In the process the author exposes a serious misalignment of the legal framework provided for by the new Directive with the EU values and principles of equality solidarity and fair competition Drawing on a wide variety of sources including Court of Justice case law Advocate Generals opinions Eurostat data Commission documents and reports and academic literature the author provides in depth analyses of such elements of the problem as the following proper definition of the concepts of posting and posted worker in EU law host country s discretion in relation to the part of domestic regulation it can impose on posted employees misconceived clash between social rights and economic freedoms coordination of national social security systems proliferation of unlawful and fraudulent practices regime shopping and exploitation of existing regulatory loopholes misleading association of posting with issues of social dumping and unfair competition orientation of political influence during the drafting process of relevant EU legislation expected controversial economic impact of Directive EU 957 2018 concrete realisation of the EU values and principles of equality solidarity and fair competition and definition and pursuit of a European social model Normative arguments developed in the course of the analysis put forward viable recommendations for future improvements in the field The Union s commitment to the development of a European social model cannot avoid taking into account the matters of equality solidarity and fair competition In this sense given the increasing prominence of the free movement of services in shaping a European labour market characterised by an ever growing degree of mobility this book s analysis of the phenomenon of posting of workers may serve as a litmus test of political and legislative action at EU level In its dual analytic and normative aspect the book takes a giant step towards future discussions and developments in the area of intra EU labour mobility It will be welcomed by legal practitioners in labour and social security law and industrial relations legal scholars EU institutions and agencies businesses and trade unions

The Involvement of EU Law in Private Law Relationships Dorota Leczykiewicz, Stephen Weatherill, 2013-03-12 The involvement of the EU in regulating private conduct and relationships between individuals is increasing As a result EU law affects the scope of private autonomy in ever wider contexts sparking tensions with fundamental concepts of national private law systems This volume offers a descriptive and normative account of the involvement of EU law in private law relationships The recurring theme in the collected papers is the scope of policy objectives which are apt to legitimise the European Union s as yet unsystematic tendency to serve as a source of restrictions of private autonomy The nature and purpose of the involvement of European Union law in private law relationships is investigated by the authors from both the substantive and the constitutional perspective The papers look at such sectors regulating private law relationships as consumer law labour law competition law equal treatment law and the law of remedies While focusing on private law relationships the authors investigate more general concepts of EU law such as the

Internal Market freedoms and general principles of law and the different modes of ensuring the effective application of EU secondary law *Family Secrets* Deborah Cohen,2013 What did families hide in the past and why By delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day *Integration at the Border* Karin de Vries,2013-07-22 A recent development in the immigration policies of several European states is to make the admission of foreign nationals dependent upon criteria relating to their integration As the practice of integration testing abroad becomes more widespread this book endeavours to clarify the legal implications which have hitherto remained poorly understood and studied The book begins by looking at the situation in the Netherlands which was the first EU Member State to introduce pre entry integration requirements It explores the historical and political origins of the Dutch Act on Integration Abroad and explains how in this national context integration has become a criterion for the selection of immigrants It then examines how integration requirements must be evaluated from the point of view of European and international law including human rights treaties EU migration directives and association agreements and the law on non discrimination The book identifies the legal standards set by these instruments with regard to integration testing abroad and draws conclusions as to the lawfulness of the Dutch approach Erie Pennsylvania City Directory ,1993
