*Sexuality* Betty N. Gordon, Carolyn S. Schroeder, 2013-06-29 There are few things that stir up our culture more than sex particularly sex and children Sexual behavior in children represents to far too many people further proof of the moral decay of our society Any issue that provokes as strong an emotional reaction as childhood sexuality is obviously in need of a rational discussion The best features of thought and reason include their moderating influence on overheated and reaction emotions Consequently this book by Betty Gordon and Carolyn Schroeder represents a very important and even

brave counter to irrationality When the Surgeon General of the United States is forced to resign because the words children and masturbation appear in the same sentence you know that there is a great deal of misunderstanding about sexuality My own evolution as a researcher in the area of child sexual abuse is a model of how naivete can be corrected by knowledge Some of my early research in sexual abuse of children led me to realize that sexual behavior was a reliable marker of victimization in a relatively large percentage of children Friedrich Urquiza Beilke 1986 My blinders to sexuality were evident in that I had not even hypothesized that to be the case in this early exploratory research When I realized how important sexual behavior was several colleagues and I set out to interview parents and foster parents of sexually abused children more specifically These adults were routinely quite reactive to our queries *Intimate Relationships and Sexual Health* Catherine Davies, Melissa Dubie, 2012 A complete curriculum for teaching about sexual health and intimate relationships taking into consideration the learning preferences sensitivity social and other issues characteristic of individuals with autism spectrum disorders Encyclopedia of Clinical Child and Pediatric Psychology Thomas H.
