

2013 Personal Essay Contest

When you think back to a defining time in your life, it probably began with a choice you made. Maybe it was big ("I moved to a city where I didn't know anyone") or little ("I decided to chat with that cute guy at the DMV"). Maybe you didn't feel confident about your decision at the time — or even regretted it — but now you can see that it had a huge impact on your life. For our third-annual LHJ Personal Essay Contest, we want you to tell us that story.

Tell Us About the Best Decision You've Ever Made

Ladies' Home Journal is a community that shares stories — and we're dying to hear yours. If you win our essay contest, we'll give you \$3,000 and the chance to have your essay published in the *Journal*. You're free to interpret the topic in whatever way you like, but remember that we value creativity and clarity above all.

Essays will be judged on their emotional power, originality, and the quality of their prose. They should be no more than 2,000 words and ideally typed or written in a Microsoft Word document.

Ladies Home Journal Essay

S Marginson

Ladies Home Journal Essay:

The Ladies' Home Journal, 1893 *Ladies' Home Journal* Louisa Knapp, Edward William Bok, 1891 **Naked, Drunk, and Writing** Adair Lara, 2010-08-31 The material is right there in front of you You've known yourself for well a lifetime and you finally feel ready to share your story with the world Yet when it actually comes time to put pen to paper you find that you're stumped Enter Adair Lara award winning author seasoned columnist beloved writing coach and the answer to all of your autobiographical quandaries *Naked Drunk and Writing* is the culmination of Lara's vast experience as a writer editor and teacher It is packed with insights and advice both practical writing workshops you pay for are the best it's too easy to quit when you've made no investment and irreverent apply Part A butt to Part B chair answering such important questions as How do I know where to start my piece and where to end it How do I make myself write when I'm too scared or lazy or busy What makes a good pitch letter and how do I get mine noticed I'm ready to publish now where do I find an agent If I show my manuscript to my mother will I ever be invited to a family gathering again As thorough and instructive as a personal writing coach and cheaper too *Naked Drunk and Writing* is a must have if you are an aspiring columnist essayist or memoirist or just a writer who needs a bit of help in getting your story told ***Ladies' Home Journal and Practical Housekeeper***, 1885

The American Essay in the American Century Ned Stuckey-French, 2011-05-31 In modern culture the essay is often considered an old fashioned unoriginal form of literary styling The word essay brings to mind the uninspired five paragraph theme taught in schools around the country or the antiquated Edwardian meanderings of English gentlemen rattling on about art and old books These connotations exist despite the fact that Americans have been reading and enjoying personal essays in popular magazines for decades engaging with a multitude of ideas through this short form means of expression To defend the essay that misunderstood staple of first year composition courses Ned Stuckey French has written *The American Essay in the American Century* This book uncovers the buried history of the American personal essay and reveals how it played a significant role in twentieth century cultural history In the early 1900s writers and critics debated the death of the essay claiming it was too traditional to survive the era's growing commercialism labeling it a bastion of British upper class conventions Yet in that period the essay blossomed into a cultural force as a new group of writers composed essays that responded to the concerns of America's expanding cosmopolitan readership These essays would spark the magazine revolution giving a fresh voice to the ascendant middle class of the young century With extensive research and a cultural context Stuckey French describes the many reasons essays grew in appeal and importance for Americans He also explores the rise of E B White considered by many the greatest American essayist of the first half of the twentieth century whose prowess was overshadowed by his success in other fields of writing White's work introduced a new voice creating an American essay that melded seriousness and political resolve with humor and self deprecation This book is one of the first to consider and reflect on the contributions of E B White to the personal essay tradition and American culture more generally

The American Essay in the American Century is a compelling highly readable book that illuminates the history of a secretly beloved literary genre A work that will appeal to fiction readers scholars and students alike this book offers fundamental insight into modern American literary history and the intersections of literature culture and class through the personal essay This thoroughly researched volume dismisses once and for all the death of the essay proving that the essay will remain relevant for a very long time to come

Notable Black American Women Jessie Carney Smith,Shirelle Phelps,1992 Arranged alphabetically from Alice of Dunk s Ferry to Jean Childs Young this volume profiles 312 Black American women who have achieved national or international prominence

Buck Ewing Roy Kerr,2014-01-10 Buck Ewing 1859 1906 was regarded by contemporaries as the greatest catcher and all around player of his era A lifetime 300 hitter he played every position on the diamond and led the league in fielding at two different positions The first National League hitter to reach double digits in home runs Ewing once stole six bases in a game pioneered the snap forearm throw to catch runners napping averaged 35 steals a season and is the only catcher to lead his team in stolen bases 53 in 1888 Off the field Ewing s personality proved as multifaceted as his playing skills Considered both affable and modest he still received criticism from fellow players for negotiating contracts directly with the National League and was wrongly accused of faking injuries This revealing biography provides a detailed exploration of Ewing s life and career shedding new light on one of baseball s most talented and versatile players

Rapport du Comité consultatif ,1903 *Nomination of Philip C. Jessup* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Nominations,1951 Also reviews Jessup s views on foreign relations and investigates his alleged association with communist front organizations

Agricultural Advertising Elmer E. Critchfield,Marco Morrow,Richard S. Thain,1914

Women in Magazines Rachel Ritchie,Sue Hawkins,Nicola Phillips,S. Jay Kleinberg,2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia

The Editor ,1923 [The Secret History of Home Economics](#) Danielle Dreilinger,2021-05-04 Deeply researched and crisply written Margaret Talbot The New Yorker The surprising often fiercely feminist always fascinating yet barely known history of home economics The term home economics may conjure traumatic memories of lopsided hand sewn pillows or sunken muffins But common conception obscures the story of the revolutionary

science of better living The field exploded opportunities for women in the twentieth century by reducing domestic work and providing jobs as professors engineers chemists and businesspeople And it has something to teach us today In the surprising often fiercely feminist and always fascinating *The Secret History of Home Economics* Danielle Dreilinger traces the field's history from Black colleges to Eleanor Roosevelt to Okinawa from a Betty Crocker brigade to DIY techies These women and they were mostly women became chemists and marketers studied nutrition health and exercise tested parachutes created astronaut food and took bold steps in childhood development and education Home economics followed the currents of American culture even as it shaped them Dreilinger brings forward the racism within the movement along with the strides taken by women of color who were influential leaders and innovators She also looks at the personal lives of home economics women as they chose to be single share lives with other women or try for egalitarian marriages This groundbreaking and engaging history restores a denigrated subject to its rightful importance as it reminds us that everyone should learn how to cook a meal balance their account and fight for a better world

More Than a Farmer's Wife Amy Mattson Lauters, 2009 Examining how women were presented in farming and mainstream magazines over fifty years and interviewing more than 180 women who lived on farms Lauters reveals that rather than being victims of patriarchy most farm women were astute businesswomen working as partners with their husbands and fundamental to the farming industry Provided by publisher

Essays on Modern Novelists William Lyon Phelps, 2019-12-04 In *Essays on Modern Novelists* William Lyon Phelps offers a nuanced exploration of the primary figures in the early 20th century literary landscape Combining critical examination with personal insight Phelps delves into the works and philosophies of notable authors such as James Joyce Virginia Woolf and Mark Twain His essays are characterized by a lucid prose style that effortlessly intertwines literary analysis with biographical context drawing on his own profound understanding of literary movements and their cultural implications This work belongs to a tradition of literary criticism that seeks not only to evaluate texts but also to illuminate the complexities of modernity that these authors grappled with in their narratives Phelps an eminent scholar and educator was pivotal in shaping American literary criticism His extensive career at Yale University where he taught for over three decades allowed him to engage deeply with both contemporary and classic literature Phelps's rich background in literary study combined with his passion for sharing literature's transformative power informed his desire to elucidate the connections among modern novelists and their historical contexts This book is an essential read for anyone interested in the evolution of the novel and its architects Phelps's insightful essays invite readers to consider the broader themes within modernity and to appreciate the artistry of these novelists making it an invaluable resource for students scholars and avid readers alike

The Paradox of Change William H. Chafe, 1992-03-26 When William Chafe's *The American Woman* was published in 1972 it was hailed as a breakthrough in the study of women in this century Bella Abzug praised it as a remarkable job of historical research and Alice Kessler Harris called it an extraordinarily useful synthesis of material about

20th century women But much has happened in the last two decades both in terms of scholarship and in the lives of American women With *The Paradox of Change* Chafe builds on his classic work taking full account of the events and scholarship of the last fifteen years as he extends his analysis into the 1990s with the rise of feminism and the New Right Chafe conveys all the subtleties of women's paradoxical position in the United States today showing how women have gradually entered more fully into economic and political life but without attaining complete social equality or economic justice Despite the gains achieved by feminist activists during the 1970s and 1980s the tensions continued to abound between public and private roles and the gap separating ideals of equal opportunity from the reality of economic discrimination widened Women may have gained some new rights in the last two decades but the feminization of poverty has also soared with women constituting 70% of the adult poor Moreover a resurgence of conservatism symbolized by the triumph of Phyllis Schlafly's anti ERA coalition has cast in doubt even some of the new rights of women such as reproductive freedom Chafe captures these complexities and contradictions with a lively combination of representative anecdotes and archival research all backed up by statistical studies As in *The American Woman* Chafe once again examines woman's place throughout the 20th century but now with a more nuanced and inclusive approach There are insightful portraits of the continuities of women's political activism from the Progressive era through the New Deal of the contradictory gains and losses of the World War II years and of the various kinds of feminism that emerged out of the tumult of the 1960s Not least there are narratives of all the significant struggles in which women have engaged during these last ninety years for child care for abortion rights and for a chance to have both a family and a career *The Paradox of Change* is a wide ranging history of 20th century women thoroughly researched and incisively argued Anyone who wants to learn more about how women have shaped and been shaped by modern America will have to read this book

[The National Druggist](#), 1895 **Jane Addams's Essays and Speeches on Peace** Jane Addams, 2006-03-24 The pragmatist philosopher Jane Addams 1860 1935 is celebrated as the founder of Hull House the settlement house for disadvantaged people in Chicago where for many years she put into practice her progressive ideas for social reform Addams was also deeply involved in international peace efforts Remaining a pacifist throughout World War I she was a founder of the Women's International League for Peace and Freedom and went on to receive the Nobel Peace Prize in 1931 Her books and essays on peace are frequently cited but long out of print and hard to obtain Interest in Jane Addams is rapidly growing As the American government withdraws from international treaties her call for international law and cooperation has a new relevance And in our increasingly dangerous world her call for peace is being heard again This volume contains the most complete collection ever made of Addams's essays articles and speeches on peace and international relations written between 1899 and 1935 **Essayists on the Essay** Carl H. Klaus, Ned Stuckey-French, 2012-03-15 The first historically and internationally comprehensive collection of its kind *Essayists on the Essay* is a path breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory

practice and art of the essay This unique work includes a selection of fifty distinctive pieces by American Canadian English European and South American essayists from Montaigne to the present many of which have not previously been anthologized or translated as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay From a buoyant introduction that provides a sweeping historical and analytic overview of essayists thinking about their genre a collective poetics of the essay to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections to the richly detailed bibliographic sections *Essayists on the Essay* is essential to anyone who cares about the form This collection provides teachers scholars essayists and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre used primarily to write about other more literary genres or to teach young people how to write Here in a single celebratory volume are four centuries of commentary and theory reminding us of the essay's storied history its international appeal and its relationship not just with poetry and fiction but also with radio film video and new media

New York Magazine
1984-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
