**Visions of War** M. Paul Holsinger, Mary Anne Schofield, 1992 For Americans World War II was a good war a war that was worth fighting Even as the conflict was underway a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles These essays examine some of the best literature and popular culture of World War II Many of the studies focus on women several are about children and all concern themselves with the ways that the war changed lives While many of the contributors concern themselves with the United States there are essays about Great Britain Canada France Germany Poland Russia and Japan Hand Knits for the Home and Garden Alison Dupernex, 2018-09-05

Knitting has long been celebrated as a therapeutic and creative experience which can produce many unique and eye catching items In Hand Knits for the Home and Garden experienced designer Alison Dupernex shares the secrets of how to work with the head heart and hand in tune combining stitch choices colour material and skilful execution into one design This beautiful book of projects offers an extensive collection of patterns for domestic furnishings and household items With practical advice and further ideas for each project it can be used as both a tutorial and a catalyst for developing individual style and original pieces of work Supported by over 150 colour illustrations this detailed guide offers finishing techniques and includes over 40 patterns for cushions throws pots lampshades rugs and other fun projects such as covers for hot water bottles and deck chairs Written for dedicated hobby knitters and professional knitters The patterns include cushions throws pots lampshades rugs deck chair covers and cards Each project is supported by colour illustrations there are 164 in total Alison Dupernex is an experienced designer and her patterns have been widely published by magazines **American Homes and Gardens**

, 1906 **Harper's Monthly Magazine**, 1912 *American Primary Teacher*, 1912 **Harper's New Monthly Magazine** Lee Foster Hartman, Frederick Lewis Allen, 1913 Important American periodical dating back to 1850 *No Idle Hands* Anne L. MacDonald, 2010-11-17 Fascinating What is remarkable about this book is that a history of knitting can function so well as a survey of the changes in women's roles over time The New York Times Book Review An historian and lifelong knitter Anne Macdonald expertly guides readers on a revealing tour of the history of knitting in America In *No Idle Hands* Macdonald considers how the necessity and the pleasure of knitting has shaped women's lives Here is the Colonial woman for whom idleness was a sin and her Victorian counterpart who enjoyed the pleasure of knitting while visiting with friends the war wife eager to provide her man with warmth and comfort and the modern woman busy creating fashionable handknits for herself and her family Macdonald examines each phase of American history and gives us a clear and compelling look at life then and now And through it all we see how knitting has played an important part in the way society has viewed women and how women have viewed themselves Assembled from articles in magazines knitting brochures newspaper clippings and other primary sources and featuring reproductions of advertisements illustrations and photographs from each period *No Idle Hands* capture the texture of women's domestic lives throughout history with great wit and insight Colorful and revealing

Beauregard,2020-07-01 How can we rethink teaching practices to include and engage the whole student What would student  
experience look like if we integrated silence and feeling with empirical analysis Tuning the Student Mind is the story of one  
teacher s attempt to answer these questions by creating an innovative college course that marries the spiritual and the  
theoretical integrating meditation and self reflection with more conventional academic curriculum The book follows Molly  
Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class  
Consciousness Creativity and Identity Interweaving personal stories student writing and Beauregard s responses along with  
recommendations for further reading and a research appendix it makes the case for the transformative power of  
consciousness centered education Written in a warm engaging voice that reflects Beauregard s teaching style Tuning the  
Student Mind provides an accessible step by step template for other educators while inviting readers more broadly to
