Lady in Red Sidney St. James, 1900 In this ninth and final novel in the Gideon Detective Series Vincent James Gideon after retiring five years earlier to spend his senior years fly fishing on the Portland River elects to take on one more case for the Black Rock Cove Police Department Little did he know it would be the most unusual case the veteran detective has ever agreed to unravel Sebastian Westfield the grandson of Connor Westfield is living life in style with the hefty allowance given to him monthly by his grandfather The problem is one night started like all the rest with his arrival at Sid's Cabaret in Portland the home of famed theater star Valentina Clemente When the evening first started he could remember everything However the next instant his mind goes blank He can't remember what happened the rest of the night when an assassin took his grandfather's life in Black Rock Cove or how he ended up on the floor of an abandoned farmhouse a few hundred yards away from his grandfather's house the next morning As he awoke he sensed a chill in the air a shimmer of mist The trees of the forest by the lake became slightly out of focus like that of a poorly taken photograph It wasn't until Sebastian got closer it congealed into a form a woman dressed in red with silver skin and a predator's smile All became silent while he watched the woman skirt along the edges of the stagnant lake Then without warning he found himself on his back looking up at a person wearing a red and black ski mask He shook his head back and forth and heard the words from what he thought was the woman in red but the words were said in a man's voice with a rasping tone of a one pack a day smoker Have you come to play Sebastian Sebastian couldn't find words to say and only opened his mouth to scream Then without warning he found

himself back on the dilapidated and deserted farmhouse floor Abruptly a chill rose up his spine making him shiver Something was here with him He could feel it A voice hoarse and faint echoed around him coming from the adjacent room in the farmhouse Sebastian slowly turned his head over his shoulder and the whispering came to a stop The air chilled to ice and his labored breathing was the only sound he could hear It was hanging down from the ceiling crawling ever so slowly closer and closer dark and brooding Crick Creakkkk Screechhhh Stop it You re not real Leave me alone Sebastian had played in the old farmhouse as a child and knew it was but a few hundred yards to his grandfather s house Without hesitation he rushed out the door and hurried down the pathway his heart pounding the entire way The sun already climbed into the morning sky On reaching the courtyard he stopped and vividly pictured the old place during his childhood The walls didn t seem so gray when he was a young boy nor did they look so small In his mind he pictured the place as though it were a castle where his cousin and he were the prince and princess of the home The door opened Mister Albert was there with the bad news Mister Sebastian where have you been Your grandfather has been murdered **Lady in Red** Sheila Tate,2019-04-09

history that presents a rarely seen picture of aristocratic life in the Georgian era [The Lady in Red](#) Shirley Elizabeth Brumfield,2020-11-22 MY STORY IS about an addict whose name is Elijah Wayne Jackson Eli for short This has many characters mainly drug addicts I have woven the Lady in Red on the assumption that she is a product of his paranoia The story line I hope will bring the public to an awareness of addicts and the things they do when they are high and ingesting drugs The story is very explicit and complete with mystery and science fiction overtures My story takes place in a ghetto in Brooklyn New York around the late 1980s a time when crack cocaine was strongly used Although other addicts and their highs are being depicted it is only to give the reader a sense of how things play out in the drug world as opposed to the real world Basically I am trying to bring science fiction to the ghetto in a more believable sense Along with the mystery of the Lady in Red there is another main character that comes into play and his name is James James is a mystery within himself To go into more detail about my story and its characters you will just have to read my story **Mississippi Off the Beaten**
