

A character wearing a dark hooded robe and a glowing yellow ring is crouching in a dark, dense forest. They are holding a glowing yellow flower. The forest is filled with large, gnarled tree trunks and thick foliage. The lighting is dim, with the primary light source being the glowing flower and the character's ring. In the bottom left corner, there is a circular UI element with a crosshair. In the bottom right corner, there is a small, stylized white icon of a creature or object.

Hmm. That's a strange flower.
