Macbeth Student Survival Guide:

Making Sense of Macbeth! a Students Guide to Shakespeare's Play (Includes Study Guide, Biography, and Modern Retelling) William Shakespeare, 2013-09-10 How can you appreciate Shakespeare when you have no idea what he's saying? If you've ever sat down with the Bard and found yourself scratching your head at words like Quondam, Younker, or Ebon, then this bundled book is just for you. Inside, you will find a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling along with the original text of Shakespeare's *Macbeth*. Each section of this book may also be purchased individually. **Student's Guide to Shakespeare** William McKenzie, 2017-01-17 This book is a one-stop shop for the busy undergraduate studying Shakespeare. Offering detailed guidance to the plays most often taught on undergraduate courses, the volume targets the topics tutors choose for essay questions and is organized to help students find the information they need quickly. Each text discussion contains sections on sources, characters, performance, themes, language, and critical history, helping students identify the different ways of approaching a text. The book's unique play-based structure and character-centred approach allows students to easily navigate the material. The flexibility of the design allows students to either read cover to cover, target a specific play, or explore elements of a narrative unit, such as imagery or characterisation. The reader will gain quickly a full grasp of the kind of dramatist William Shakespeare was and is. **The English Teacher's Survival Guide** Mary Lou Brandvik, Katherine S. McKnight, 2011-01-21 Problem-solving techniques for all aspects of the English teacher's job. This unique time-saving book is packed with tested techniques and materials to assist new and experienced English teachers with virtually every phase of their job, from lesson planning to effective discipline techniques. The book includes 175 easy-to-understand strategies, lessons, checklists, and forms for effective classroom management, and over 50 reproducible samples teachers can adopt immediately for planning, evaluation, or assignments. It is filled with creative and functional ideas for reading response activities, writing assignments, group and individual projects, and speeches. Offers instructions for creating and implementing an effective classroom-wide behavior management program. Shows how to practice the art of teaching English effectively and reduce time on labor-intensive tasks. Reveals how to work effectively with parents, colleagues, substitute teachers, administrators, and community resources. The second edition includes coverage of technology in the classroom, advice for working with reluctant readers, a wealth of sample teaching units, and more. **Starving Artist's Survival Guide** MARIANNE TAYLOR, 2012-12-11 Passion, humiliation, and depravity are the cornerstones of the artistic spirit. How else to rationalize one's deliberate choice to face a life of unsigned rejection letters, calls from worried parents and collection agencies, and cups of ramen noodles? Being a noble artiste is a rough gig. It's one part denial, one part masochism. And it gets all the respect of being a fry cook without the convenient minimum wage. Only a fool would agree to such soul-crushing until now. *The Starving Artist's Survival Guide* boldly reassures both the dreamer and the doer that you are not alone. Regardless of whether you are a painter, a poet, a musician, a writer, an actor, or

simply paralyzed by an English lit or fine arts degree help has arrived Topics include the pros and cons of various artistic day jobs People love clowns except for the 80 percent who want to beat them up and the 20 percent who do coping with form letter rejections through the healing power of haikus You blinking red light A call back from my agent No just goddamn Mom a survey of artists dwellings from the romanticized loft to Mama s rent free attic and most important Holding On Ten Good Reasons to Keep Your Head out of the Oven *English Teachers Survival Guide* Mary Lou Brandvik,1994-03-04 For both new and experienced English teachers grades 7 12 here is a unique time saver and problem solver packed with tested techniques and materials to assist you in virtually every aspect of your job from dealing with discipline problems and handling paperwork to teaching the writing process Included are 175 easy to use strategies lessons and checklists for effective classroom management and over 50 reproducible samples that you can adopt immediately for planning evaluation or assignments The Guide helps you create a classroom that reflects the excitements for learning that every English teacher desires It will also show you how to practice the art of teaching English effectively and leave labor intensive ways behind by devising a far grading system creating a positive design for discipline delegating tasks to students that can become learning experiences for them and time savers for you arranging the room for efficient classroom management and more In addition to scores of specific ideas for writing and reading activities the Guide includes Techniques for integrating the teaching of speaking listening writing and literature A plan for managing and monitoring cooperative leaning activities form determining group size to evaluating group work and grading projects Steps for creating a master plan individual units and daily lessons with guidance on team teaching and Advice on how to reach the learning disabled students who are mainstreamed into your classroom With this resource you will gain the perspective of a master teacher in working with students as well as others parents colleagues substitute teachers administrators and community resources and regain or maintain the idealism that originally cause yu to become a teacher **The Drama Teacher's Survival Guide** Matthew Nichols,2021-01-14 This is a terrific and instructive book and an essential reminder of how inspiring and empowering a good drama teacher can be I hope it s read widely and that new generations of pupils and teachers benefit from its wisdom and its verve Nick Hytner Drama teaching is at a critical juncture With new qualifications in the market changes in government approach to the arts in education and hundreds of thousands of students wanting to be part of the country s hugely successful performing arts industry the pressures on drama teachers are enormous Many don t have a specialist background in drama and theatre and end up taking on the role of drama teacher others feel disconnected from current theatre practice because of the time demands of teaching plenty of drama teachers feel they could be serving their students better if only they had the resources and the support For all of those teachers this book will come as welcome relief The Drama Teacher s Survival Guide provides support inspirational ideas and rock solid guidance for secondary drama teachers It outlines the fundamental principles of a creative drama curriculum and looks at how teachers can facilitate this and deliver inspiring lessons to fulfill the potential of
