Mary Patricia Monaghan, 2014 Poetry This remarkable absorbing and quietly revolutionary book constitutes the greatest poetic work and ultimate legacy of the legendary Patricia Monaghan whose towering work as a scholar writer and organizer breathtaking in its scope and ambition brought the Goddess into women's lives over many decades A farewell gift to the world from the deep soul of this brilliantly talented poet begun in the 1980s and completed on her deathbed in 2012

Monaghan's magnum opus offers readers the sweet and sublime fruit of an attentive and courageous spiritual life Deceptively simple and accessible in style MARY A LIFE IN VERSE is nothing less than a profound and heart wrenching feminist epic It brings us a new Mary a Mary for the world and for the ages who stretches beyond the limits of the Christian story and partakes of something far more ancient larger and more glorious Mary as a woman and a goddess Annie Finch

The Poems and Prose of Mary, Lady Chudleigh Lady Mary Lee Chudleigh, 1993 The first edition of the collected poetry and prose of the Restoration feminist Mary Lady Chudleigh 1656-1710 this volume includes The Ladies Defence as well as her final prose meditations New biographical and bibliographical information in the Introduction revises the existing accounts of her life and literary career The volume makes available for the first time the complete range of Chudleigh's literary experiments and calls for a reassessment of the image of the woman writer of the Restoration A friend of John Dryden and Mary Astell Chudleigh experimented with a variety of literary forms from satire to biblical paraphrase but always maintained her belief in the importance of education for women and the necessity for self-determination *The Life and Poems of Anne Hunter* Caroline Grigson, 2009-05-01 Anne Home Hunter 1741-1821 was one of the most successful songwriters of the second half of the eighteenth century most famously as the poet who wrote the lyrics of many of Haydn's songs However her work which included many more serious lyrical and romantic poems has been largely forgotten This book contains over 200 poems some published in her life time under her married name Mrs John Hunter some attributed only to a Lady and most importantly many transcribed from her manuscripts housed in various archives and in a private collection which are now collected for the first time Hitherto Anne Hunter has been known almost entirely through her Poems published in 1802 in her Introduction Isobel Armstrong argues that she saw this book as a definitive representation of her poetry Besides her consummately skilful lyrics and songs it contains serious political odes and reflective poems The

unpublished material amplifies and extends the work of 1802 The introduction is followed by a long biographical essay by Caroline Grigson The daughter of Robert Home an impoverished Scottish Army surgeon Anne Hunter spent her adult life in London where she married the famous anatomist John Hunter with whom she lived in great style latterly as a bluestocking hostess until his death in 1793 The book includes many new details of her long life her friendship with Angelica Kaufman who painted her portrait see cover and the bluestocking Elizabeth Carter The account of Anne s life as a widow describes her relationships with her family her niece the playwright Joanna Baillie and her friends especially those of the famous Minto family as well as the Scottish impresario George Thomson Of especial interest is the discovery of a previously unrecorded visit that Haydn made to her during his second London visit when she was living in Blackheath Expertly researched which Grigson s book sets Anne Hunter s oeuvre in the political and social context of the time and will be required reading to scholars of literature and music alike **The Fall of Women in Early English Narrative Verse** Gvtz Schmitz,2011-08-11

,1920 **A Life with Mary Shelley** Barbara Johnson,2014-07-16 In 1980 deconstructive and psychoanalytic literary theorist Barbara Johnson wrote an essay on Mary Shelley for a colloquium on the writings of Jacques Derrida The essay marked the beginning of Johnson s lifelong interest in Shelley as well as her first foray into the field of women s studies one of whose commitments was the rediscovery and analysis of works by women writers previously excluded from the academic canon Indeed the last book Johnson completed before her death was Mary Shelley and Her Circle published here for the first time Shelley was thus the subject for Johnson s beginning in feminist criticism and also for her end It is surprising to recall that when Johnson wrote her essay only two of Shelley s novels were in print critics and scholars having mostly dismissed her writing as inferior and her career as a side effect of her famous husband s Inspired by groundbreaking feminist scholarship

of the seventies Johnson came to pen yet more essays on Shelley over the course of a brilliant but tragically foreshortened career So much of what we know and think about Mary Shelley today is due to her and a handful of scholars working just decades ago In this volume Judith Butler and Shoshana Felman have united all of Johnson s published and unpublished work on Shelley alongside their own new insightful pieces of criticism and those of two other peers and fellow pioneers in feminist theory Mary Wilson Carpenter and Cathy Caruth The book thus evolves as a conversation amongst key scholars of shared intellectual inclinations while closing the circle on Johnson s life and her own fascination with the life and circle of another woman writer who of course also happened to be the daughter of a founder of modern feminism *Life and Death of Mary*
