**Royal Ark Mariner - Ritual No. 1** Anon,2016-09-06 The Degree of Royal Ark Mariner although worked under the aegis of the Grand Lodge of Mark Master Masons and requiring every candidate to be a Mark Master Mason has no historical connection whatsoever with that Degree      **Masonic Ritual of the Ancient and Honorable Fraternity of Royal Ark Mariners** Anonymous,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      *Royal Ark Mariners Ritual* Freemasons. Allyn,1979      **Sacred Secrets** Mike Neville,2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand the ritual not just to memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy theologians and any other person interested in Freemasonry to see the links between ritual and scripture      *The Secert Castle* Miguel H. winner His influence on major figures including Freud and William James was pervasive and profound But in recent decades Kipling s reputation has suffered a strange eclipse Though his body of work still looms large and his monumental poem If is quoted and referenced by politicians athletes and ordinary readers alike his unabashed imperialist views have come under increased scrutiny In If scholar Christopher Benfey brings this fascinating and complex writer to life and for the first time gives full attention to Kipling s intense engagement with the United States a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy Benfey traces the writer s deep involvement with America over one crucial decade from 1889 to 1899 when he lived for four years in Brattleboro Vermont and sought deliberately to turn himself into a specifically American writer It was his most prodigious and creative period as well as his happiest during which he wrote *The Jungle Book* and *Captains Courageous* Had a family dispute not forced his departure Kipling almost certainly would have stayed Leaving was the hardest thing he ever had to do Kipling said There are only two places in the world where I want to live he lamented Bombay and Brattleboro And I can t live in either In this fresh examination of Kipling Benfey hangs a provocative what if over Kipling s American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him If proves there is relevance and magnificence to be found in Kipling s work *The Shadow of Solomon* Laurence Gardner,2007-03-31 What ancient mystery lies behind the creation of Freemasonry a lost secret so powerful that the Brotherhood itself has been on a quest to find it for three hundred years For those of us lacking the resources to excavate occult secrets hidden beneath the Louvre or the Rosslyn Chapel or within CIA Headquarters *The Shadow of Solomon* is the next best thing These pages reveal the true secrets of Solomon from masonry to magic Laurence Gardner s personal experience as both a Templar and a mason makes this fascinating journey through the history of the Bible Knights Templar Freemasons and everything that followed all the more striking and immediate Is it an accident that the world s attention should be turned to these men and their strange lexicon of symbols and secrets RIGHT NOW What will happen when we understand that there is something we all have in common that is greater than nation or religion Freemasons are often said to be the world s most influential secret society yet the story of this enigmatic fraternity is wrapped in mystery and intrigue Their involvement in shaping political world events has stretched over centuries even to the extent that masonic principles lie beneath the establishment of the United States and its Constitution *The Shadow of Solomon* is the definitive insider s account of the startling truth behind masonic history and the centuries long search that the fraternity has undertaken to find its own lost secrets **Masonic Standard** ,1917 *The Freemasons' Magazine and Masonic Mirror* ,1868 *The Sibyls of London* Susan Sommers,2018-04-25 Ebenezer Sibly was a quack doctor plagiarist and masonic ritualist in late eighteenth century London his brother Manoah was a respectable accountant and a pastor who ministered to his congregation without pay for fifty years The inventor of Dr Sibly s Reanimating Solar Tincture which claimed to restore the newly dead to life Ebenezer himself died before he turned fifty and stayed that way despite being

surrounded by bottles of the stuff Asked to execute his will which urged the continued manufacture of Solar Tincture and left legacies for multiple and concurrent wives as well as an illegitimate son whose name the deceased could not recall Manoah found his brother s record of financial and moral indiscretions so upsetting that he immediately resigned his executorship Ebenezer s death brought a premature conclusion to a colorfully chaotic life lived on the fringes of various interwoven esoteric subcultures Drawing on such sources as ratebooks and pollbooks personal letters and published sermons burial registers and horoscopes Susan Mitchell Sommers has woven together an engaging microhistory that offers useful revisions to scholarly accounts of Ebenezer and Manoah while placing the entire Sibly family firmly in the esoteric byways of the eighteenth and early nineteenth centuries The Siblys of London provides fascinating insight into the lives of a family who lived just outside our usual historical range of vision
