Gloria Guide Scouting Story:

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1910

Goodbye, Gloria Gloria Weston, 2001-05-28 The Second World War erupted when the author was a child and like hundreds of other boys and girls she was snatched out of the world she knew and thrown in at the deep end to sink or swim in another one. A world of stone cottages, iron ranges, strange local accents and weird food, not to mention homes without electricity, hot running water and indoor lavatories. The author had to learn to live with a new family and to understand their ways and how they expected her to behave. Also she had to suffer the indignity of being for her own family almost out of sight out of mind. After two years she was sent to London to live and was obliged to learn yet another family and yet another way of life. She experienced air raids and the sudden horror of V 1 rockets, then with the advent of the V 2s she found herself back in Derbyshire where things had changed as much as she had herself. Nostalgically the author revives memories of wartime songs and radio programmes and the end of the story finds her in the midst of the victory celebrations in the heart of London on the very last day of the war.

The Stories Huey Tells Ann Cameron, 2009-09-02 It isn't easy being Julian's younger brother. When Huey has bad dreams, Julian says it's no big deal. When Huey orders trout in a restaurant and it comes to the table whole with an eye looking straight up at him, Julian reminds Huey he'd better eat it all. And when Huey wants to study animal tracks with Julian and his friend Gloria, Julian tells him he's too young. But he's not a little kid. He's six years old and he's an adventurer, a chef, a tracker, a scout, and much more. Set in large type with wide margins, these five short, funny and satisfying stories have all the originality and sparkle of the Julian books with a fresh new voice.

Scouting for Girls

Tammy M. Proctor, 2009-09-23 This volume examines scouting, the largest voluntary movement for girls in its first century of existence, seeking to understand how the organization has lasted and how it has changed. *Scouting for Girls: A Century of Girl Guides and Girl Scouts* is the first global history of Girl Scouting and Guiding that addresses the successes and pitfalls of the 100-year-old organization from its beginning in Great Britain through its international expansion. Since 1910, millions of girls worldwide have been exposed to Scouting. While much has changed since 1910, the core values of Scouting Guiding are still recognizable in today's programs: namely, the empowerment of girls through adventure, character building, home skills, outdoor pursuits, and active learning. But has Scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement? As Girl Scouts and Guides move into their second century, their challenge will be to remain true to their founding values while remaking themselves on a regular basis. Given the changing nature of today's societies and the serious problems girls face on a daily basis, Girl Guides and Girl Scouts will need to be true to their motto: Be Prepared in order to march forward successfully into the future.
