

## Glory Movie Questions

1. How does the attitude of Colonel Robert Gould Shaw toward African-Americans change and why?

Colonel Shaw's attitude toward African-Americans changes over the course of the movie. At first, he is a white supremacist who believes that African-Americans are inferior and that they should not be allowed to fight in the military. However, as he spends more time with the 54th Massachusetts, he begins to see them as individuals and not just as a race. He becomes more sympathetic toward them and eventually comes to see them as equals.

2. What differences exist among the black soldiers who make up the 54th Massachusetts Volunteer Infantry? What does this tell you about the different experiences of blacks in 19th-century America? What about their regions of origin, former status (enslaved), and educational background?

The 54th Massachusetts Volunteer Infantry is a regiment made up of African-American soldiers from different backgrounds. Some were born free, while others were born into slavery. They come from different parts of the country, including the South, the North, and the West. This diversity of backgrounds and experiences is reflected in the different ways the soldiers interact with each other and with the white officers.

3. What attitudes did white soldiers have about the 54th? Did these attitudes change and why?

At first, the white soldiers in the 54th look down on the African-American soldiers. They see them as inferior and believe that they are not capable of fighting in the military. However, as the white soldiers spend more time with the African-American soldiers, they begin to change their attitudes. They realize that the African-American soldiers are just as brave and capable as they are.

4. Were blacks treated equally to whites in the Union army? Explain.

No, African-American soldiers were not treated equally to white soldiers in the Union army. They were paid less than white soldiers, and they were often given the most dangerous and difficult assignments. However, despite these hardships, many African-American soldiers fought bravely and were recognized for their contributions to the war.

5. What is significant about Colonel Shaw's decision to refuse to surrender?

Colonel Shaw's decision to refuse to surrender is significant because it shows that he is willing to die for his principles. He believes that the African-American soldiers are just as capable as the white soldiers, and he is determined to prove it to the world.

6. Did that incident end as you expected? What feelings/oughts come over you last night?

The incident ended as I expected. The 54th Massachusetts was defeated, but they were recognized for their bravery. I feel proud of the African-American soldiers who fought in the 54th, and I am grateful for the sacrifices they made for the country.

**Maxwell Anderson and the Classical Tradition** Robert J. Rabel, 2025-04-15 This book sheds new light on the dramatic works of the American playwright poet and lyricist Maxwell Anderson assessing the pervasive influence of Greek and Roman antiquity on his plays that dominated Broadway in the first half of the twentieth century Anderson is an important though often forgotten figure in the history of American drama and the Classical Tradition The book highlights Anderson's remarkably creative use of classical antiquity while also illustrating how he served as a first hand witness and reactor to some of the main social and political events of his time It explores Anderson's major theatrical works and adaptations of ancient Greek drama and poetry including *Winterset* *The Winged Victory* the never published *Ulysses Africanus* and *Bad Seed* as well as his later minor works Anderson found in tragedians such as Aeschylus Sophocles and Euripides ideal models for the dramatic portrayal of human emotion amidst the social and political backdrop of the United States from the interwar period to the nuclear age which this book seeks to explore at length for the first time This volume is of interest to students and scholars of Classical Reception and the Classical Tradition as well as those working on twentieth century American literature drama history and politics
