 known for frigid weather thousands of lakes and Scandinavian humor But in this anthology of ten short stories J L Larson  
 shows a different side of the state via unique tales of conflict adventure and intrigue that often transport characters outside its  
 borders In July of 1970 at a benign looking intersection in the middle of Minnesota farmland a fateful mishap occurs yet  
 again What is it about this seemingly nondescript junction that makes it such a repetitive and bloody deathtrap Is it the  
 terrain the weather the drivers or a combination of these and maybe a few other factors In another story a paper company  
 executive and his wife must cope with an empty nest and the loss of his job He's doing fine until he receives a strange late  
 night call about his self-centered malicious nemesis from the old job In tale after tale Larson showcases eclectic characters  
 who embark on adventures that include a disaster on a popular lake an emotional confrontation in a university classroom the  
 mysterious travel exploits experienced by a young man with his uncle and the recurring dramatic impact on a young teen as  
 his life moves forward following a seemingly insignificant encounter *The Accident at Sanborn Corners and Other Minnesota  
 Short Stories* is an entertaining compilation of situations and themes that illustrate how various characters cope with the  
 unexpected in life *Master Golf... and You Master Life Itself* Kurt Pugh, 2008-09 MY POETRY When I get inspiration I write  
 poetry I write to express what's inside of me My imagination is as high as a leaf on a very tall tree Or it can be as low as the  
 earth where the earthworms creep I write about some of the things that I see Because when I put my pen to the paper it is  
 the only time that I am truly free Free to write out what I think about what I hear I write about some of my hopes and my  
 fears I write about my laughter and my tears I write about my triumphs and my jeers Sometimes I can write about those for  
 whom I deeply care Or I can write about those pretty honey bun sistas with the beautiful ebony hair You know the ones that  
 smell like the luscious lotions from Avon or Mary Kay I get inspiration for poems almost every day I never know when it will  
 hit me whether it is at work or at play Hi my name is Eldon and I'd like you to come take a lyrical journey with me from the  
 light into spiritual darkness and back into life But not just any life but the life that only God can give Come with me and  
 experience my triumphs and failures ups and downs my light and my darkness all on life's merry-go-round You will

experience my personal spiritual darkness and the power of God's love and his redeeming light Then come and witness the power of the tongue We having the same spirit of faith according as it is written I believed and therefore have I spoken we also believe and therefore speak 2 Corinthians 4:13 KJV      *The Golfers magazine* W.H.
