That Will Be England Gone Michael Henderson, 2020-04-30 For those who fear the worst for the sport they love this is like cool clear water for a man dying of thirst It s barnstorming coruscating stuff and as fine a book about the game as you ll read for years Mail on Sunday Charming a threnody for a vanished and possibly mythical England Sebastian Faulks Sunday Times Lyrical Henderson s pen is filled with the romantic spirit of the great Neville Cardus This book is an extended love letter a beautifully written one to a world that he is desperate to keep alive for others to discover and share Not just his love of cricket either but of poetry and classical music and fine cinema The Times To those who love both cricket and the context in which it is played the book is rather wonderful and moving Daily Telegraph Philip Larkin s line that will be England gone is the premise of this fascinating book which is about music literature poetry and architecture as well as cricket Henderson is that rare bird a reporter with a fine grasp of time and place but also a stylist of enviable quality and perception Michael Parkinson Neville Cardus once said there could be no summer in England without cricket The 2019 season was supposed to be the greatest summer of cricket ever seen in England There was a World Cup followed by five Test matches against Australia in the latest engagement of sport s oldest rivalry It was also the last season of county cricket before the introduction in 2020 of a new tournament The Hundred designed to attract an audience of younger people who have no interest in the summer game In *That Will Be England Gone* Michael Henderson revisits much loved places to see how the game he grew up with has changed since the day in 1965 that he saw the great fast bowler Fred Trueman in his pomp He watches schoolboys at Repton club cricketers at Ramsbottom and professionals on the festival grounds of Chesterfield Cheltenham and Scarborough The rolling English road takes him to Leicester for T20 to Lord s for the most ceremonial Test match and to Taunton to watch an old cricketer leave the crease for the last time He is enchanted at Trent Bridge surprised

at the Oval and troubled at Old Trafford Cricket Henderson says has always been part of my other life There are memories of friendships with Ken Dodd Harold Pinter and Simon Rattle and the book is coloured throughout by a love of landscape poetry paintings and music As well as reflections on his childhood hero Farokh Engineer and other great players there are digressions on subjects as various as Lancashire comedians Viennese melancholy and the films of Michael Powell Lyrical and elegiac That Will Be England Gone is a deeply personal tribute to cricket summer and England **The Penny Cyclopaedia of The Society for the Diffusion of Useful Knowledge** Society for the Diffusion of Useful Knowledge (Great Britain),1838
