most digital cameras not only is it a phone but it's now a serious contender in the world of photography. Professional photographers are using it everywhere. But the camera can also be one of the most overwhelming features. There are hundreds and hundreds of photo apps. How do you know which one will work best for you? This book looks at 30 photo apps you need and shows you how to use them correctly. Taking a picture on a phone is easy; taking a professional picture on a phone takes some skill, and this book will teach you that with the snarky voice that GadChick is known for, of course.
