**The EFT Manual** Dawson Church, 2017-06-01 This is a new and completely revised edition of the original manual for Emotional Freedom Techniques (EFT), one of the most successful psychology self-help techniques ever developed. Thousands of people tell amazing stories of how it has helped them with psychological problems like anxiety, depression, phobias and PTSD, as well as physical problems like pain and stress. Author Dawson Church is the best known researcher in the field and this manual is based on Clinical EFT, the only version of EFT to be validated in dozens of scientific studies. Step by step you will learn the evidence based form of EFT used in those studies. You'll discover how you can identify the hidden roots of emotional problems and how to alleviate them using EFT's Basic Recipe as well as advanced techniques. This book shows you how to use Clinical EFT for a variety of common conditions including pain, fears, addictions and cravings, weight issues, insomnia and guilt. With the healing keys of EFT you'll be surprised at how many problems that hold you back can be quickly and easily relieved, opening up new possibilities for your life.

**The Author Training Manual** Nina Amir, 2014-02-18 If you want to write a book that's going to sell to both publishers and readers, you need to know how to produce a marketable work and help it become successful. It starts the moment you have an idea. That's when you begin thinking about the first elements of the business plan that will make your project the best it can be. The reality is that you don't want to spend time and energy writing a book that will never get read. The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would. The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind. Whether you're writing fiction or non-fiction or intend to publish traditionally or self-publish, author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf. Packed with step by step instructions, idea evaluations, sample business plans, editor and agent commentaries and much more, The Author Training Manual provides the information you need to transform from aspiring writer to career author.
