Ronald Pattinson

Goose Island Honkers Ale Beer Recipe:

The Complete Idiot's Guide to Beer Tasting Rita Kohn, 2013-08-06 Choosing a beer is no longer a simple process as the beverage has gone from a world of relatively small offerings from major brewers to a universe of hundreds of unique styles from around the world. The Complete Idiot's Guide to Beer Tasting is a comprehensive introduction to the vast styles and complex characteristics of beer including brewing style, the yeasts and hops that determine taste and character, how the various grains are used in brewing, and more. Readers will discover how the brewing process can affect a beer, learn to recognize beer tasting notes and aromas, identify unique styles, select the right glassware, and much more. *Great Northern Brewers Homebrew Style Guidelines and Recipe Book* Debbie Grecco, Jim Roberts, 2003 **Zymurgy**, 1997 *Barrel-Aged Stout and Selling Out* Josh Noel, 2018-06-01 Goose Island opened as a family-owned Chicago brewpub in the late 1980s and it soon became one of the most inventive breweries in the world. In the golden age of light, bland, and cheap beers, John Hall and his son Greg brought European flavors to America. With distribution in two dozen states, two brewpubs, and status as one of the 20 biggest breweries in the United States, Goose Island became an American success story and was a champion of craft beer. Then on March 28, 2011, the Halls sold the brewery to Anheuser-Busch InBev, maker of Budweiser, the least craft-like beer imaginable. The sale forced the industry to reckon with craft beer's mainstream appeal and a popularity few envisioned. Josh Noel broke the news of the sale in the Chicago Tribune, and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war. Anheuser-Busch has since bought nine other craft breweries, and from among the outcry rises a question that Noel addresses through personal anecdotes from industry leaders: how should a brewery grow? *Good Beer Guide 2018* Roger Protz, 2017-10-31 CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. Now in its 45th edition, the guide is completely independent with listings based entirely on evaluation and nomination by CAMRA members. The unique Breweries section contains a full listing of Britain's breweries from national to micro, with information about their core beers. **The New Brewer**, 1999 **Restaurant Business**, 1995 *Pocket Beer Book 2014* Stephen Beaumont, Tim Webb, 2013-09-02 As featured in beer-loving Great Food Magazine, this landmark guide provides beer fans with easy access to an expert overview and puts a world of superb beers at your disposal. Written by two of the world's leading beer experts with the help of a team of international contributors, The Pocket Guide to Beer 2014 takes you from the Bock beers of Germany to the Trappist beers of Belgium, the complex bitters and stouts of Britain to the cutting-edge brews of North America. This expert selection covers the extraordinary variety the world's beers now have to offer. Tasting notes organized by country provide succinct commentary on the chosen beers and cover the brewery and each beer's key characteristics. With over 3,000 beers covered, this book encompasses more familiar established beers as well as exciting new discoveries from the myriad craft breweries that are emerging around the world, covering over 60 countries. Punctuating the
