

Datum / Date:	November 2024
Tyd / Time:	2 hours
Punte / Marks:	150
Grader / Grade:	11
Vak / Subject:	Business Studies
Vraestel / Paper:	Paper 2

Naam en Van / Name and Surname: _____

Good luck with your exam.

INSTRUCTIONS AND INFORMATION

Read the following instructions carefully before answering the questions.

- This paper consists of THREE sections.
SECTION A: COMPULSORY
SECTION B: Consists of THREE questions.
(Answer any TWO of the three questions in this section.)
SECTION C: Consists of TWO questions.
Answer any ONE of two questions in this section.
- Read the instructions for each question carefully and note what is required.
Note that ONLY the first TWO questions in SECTION B and the FIRST questions in SECTION C will be marked.
- Number the answers carefully according to the numbering system used in this paper. No marks will be awarded for wrongly numbered answers.
- Except where other instructions are given, answers must be written in complete sentences.
- Use the mark allocation and nature of each question to determine the length and depth of an answer.
- Use the table below as a guideline for marking and time allocation when answering each question.

SECTION A	QUESTION	MARKS	TIME
A: SHORT QUESTIONS – COMPULSORY	1	30	25 min
B: THREE direct/indirect type questions CHOICE: Answer any TWO	2	40	2 x 30 min
	3	40	
	4	40	
C: TWO essay-type questions CHOICE: Answer <u>any ONE</u>	5	40	40 min
	6	40	
TOTAL		150	2 hours

- Start the answer to EACH question on a NEW page, e.g. QUESTION 1 – new page, QUESTION 2 – new page.
- You may use a non-programmable calculator.
Write neatly and legibly.

Grade 11 Business Studies Essay November

Léo Pomar

Grade 11 Business Studies Essay November:

Fiction, Invention and Hyper-reality Carole M. Cusack, Pavol Kosnác, 2016-11-18 The twentieth century was a period of rapid change for religion. Secularisation resulted in a dramatic fall in church attendance in the West and the 1950s and 1960s saw the introduction of new religions including the International Society for Krishna Consciousness ISKCON, the Church of Scientology and the Children of God. New religions were regarded with suspicion by society in general and Religious Studies scholars alike until the 1990s when the emergence of a second generation of new new religions based on popular cultural forms including films, novels, computer games and comic books and highly individualistic spiritualities confirmed the utter transformation of the religio spiritual landscape. Indeed Scientology and ISKCON appeared almost traditional and conservative when compared to the radically de-institutionalised eclectic, parodic, fun-loving and experimental fiction-based invented and hyper-real religions. In this book, scholarly treatments of cutting-edge religious and spiritual trends are brought into conversation with contributions by representatives of Dudeism, the Church of All Worlds, the Temple of the Jedi Order and Tolkien spirituality groups. This book will simultaneously entertain, shock, challenge and delight scholars of religious studies as well as those with a wider interest in new religious movements.

The College Buzz Book Carolyn C. Wise, Stephanie Hauser, 2007-03-26 Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault's new guide does. Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions. Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni. Through these narratives, Vault provides applicants with detailed, balanced perspectives.

The College Buzz Book, 2006-03-23 In this new edition, Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions as well as the schools' responses to the comments. Each 4 to 5 page entry is composed of insider comments from students and alumni as well as the schools' responses to the comments.

New Working-Class Studies John Russo, Sherry Lee Linkon, 2018-08-06 We put the working class in all its varieties at the center of our work. The new working class studies is not only about the labor movement or about workers of any particular kind or workers in any particular place even in the workplace. Instead, we ask questions about how class works for people at work, at home and in the community. We explore how class both unites and divides working class people, which highlights the importance of understanding how class shapes and is shaped by race, gender, ethnicity and place. We reflect on the common interests as well as the divisions between the most commonly imagined version of the working class: industrial blue collar workers and workers in the new economy whose work and personal lives seem at first glance to place them solidly in the middle class. From the Introduction. In John Russo and Sherry Lee Linkon's book, contributors trace the origins of the new working class studies, explore how it is being developed both within and across fields and identify key themes and issues. Historians, economists, geographers, sociologists and scholars of literature and

cultural studies introduce many and varied aspects of this emerging field Throughout they consider how the study of working class life transforms traditional disciplines and stress the importance of popular and artistic representations of working class life

The Athenæum ,1893 **The Best 386 Colleges, 2021 Edition** . The Princeton Review,Robert Franek,2020-08 The Best 386 Colleges is a comprehensive guide with reviews and rankings based on responses from 139 000 college students Written for students or parents mystified by the confusing college admissions process it provides the essential facts about the best schools in the country popular college ranking lists and all the information needed to make a smart decision about which schools to consider Plus direct quotes from students throughout the book provide unique insight into each school s character

Research in Education ,1971 *Railway Age* ,1953 Rethinking American Grand Strategy Elizabeth Borgwardt,Christopher McKnight Nichols,Andrew Preston,2021 A wide ranging rethinking of the many factors that comprise the making of American Grand Strategy What is grand strategy What does it aim to achieve And what differentiates it from normal strategic thought what in other words makes it grand In answering these questions most scholars have focused on diplomacy and warfare so much so that grand strategy has become almost an equivalent of military history The traditional attention paid to military affairs is understandable but in today s world it leaves out much else that could be considered political and therefore strategic It is in fact possible to consider and even reach a more capacious understanding of grand strategy one that still includes the battlefield and the negotiating table while expanding beyond them Just as contemporary world politics is driven by a wide range of non military issues the most thorough considerations of grand strategy must consider the bases of peace and security including gender race the environment and a wide range of cultural social political and economic issues Rethinking American Grand Strategy assembles a roster of leading historians to examine America s place in the world Its innovative chapters re examine familiar figures such as John Quincy Adams George Kennan and Henry Kissinger while also revealing the forgotten episodes and hidden voices of American grand strategy They expand the scope of diplomatic and military history by placing the grand strategies of public health race gender humanitarianism and the law

alongside military and diplomatic affairs to reveal hidden strategists as well as strategies American Education ,1968

Cultural Critique and the Global Corporation Purnima Bose,Laura E. Lyons,2010 This book examines the stories that corporations tell about themselves and explores the powerful influence of corporations in the transformation of cultural and social life Six case studies draw on CEO memoirs annual reports management manuals advertising campaigns and other sources to analyze the self representations and rhetorical maneuvers that corporations use to obscure the full extent of their power Images of corporate character and responsibility are intertwined with the changes in local economy politics and culture wrought by globalization and neoliberalism The contributors to this volume describe the effects of specific corporate practices on individuals and communities and how activists and academics are responding to labor and environmental abuses
