**The Schenley Experiment** Jake Oresick, 2017-04-14 The Schenley Experiment is the story of Pittsburgh's first public high school a social incubator in a largely segregated city that was highly even improbably successful throughout its 156 year existence Established in 1855 as Central High School and reorganized in 1916 Schenley High School was a model of innovative public education and an ongoing experiment in diversity Its graduates include Andy Warhol actor Bill Nunn and jazz virtuoso Earl Hines and its prestigious academic program and pensions lured such teachers as future Pulitzer Prize winner Willa Cather The subject of investment as well as destructive neglect the school reflects the history of the city of Pittsburgh and provides a study in both

the best and worst of urban public education practices there and across the Rust Belt Integrated decades before Brown v Board of Education Schenley succumbed to default segregation during the white flight of the 1970s it rose again to prominence in the late 1980s when parents camped out in six day long lines to enroll their children in visionary superintendent Richard C Wallace s reinvigorated school Although the historic triangular building was a cornerstone of its North Oakland neighborhood and a showpiece for the city of Pittsburgh officials closed the school in 2008 citing over 50 million in necessary renovations a controversial event that captured national attention Schenley alumnus Jake Oresick tells this story through interviews historical documents and hundreds of first person accounts drawn from a community indelibly tied to the school A memorable important work of local and educational history his book is a case study of desegregation magnet education and the changing nature and legacies of America s oldest public schools

**Reinventing America's Schools** David Osborne, 2017-09-05 From David Osborne the author of Reinventing Government a biting analysis of the failure of America s public schools and a comprehensive plan for revitalizing American education In Reinventing America s Schools David Osborne one of the world s foremost experts on public sector reform offers a comprehensive analysis of the charter school movements and presents a theory that will do for American schools what his New York Times bestseller Reinventing Government did for public governance in 1992 In 2005 when Hurricane Katrina devastated New Orleans the city got an unexpected opportunity to recreate their school system from scratch The state s Recovery School District RSD created to turn around failing schools gradually transformed all of its New Orleans schools into charter schools and the results are shaking the very foundations of American education Test scores school performance scores graduation and dropout rates ACT scores college going rates and independent studies all tell the same story the city s RSD schools have tripled their effectiveness in eight years Now other cities are following suit with state governments reinventing failing schools in Newark Camden Memphis Denver Indianapolis Cleveland and Oakland In this book Osborne uses compelling stories from cities like New Orleans and lays out the history and possible future of public education Ultimately he uses his extensive research to argue that in today s world we should treat every public school like a charter school and grant them autonomy accountability diversity of school designs and parental choice

**Broken Heartlands** Sebastian Payne, 2021-09-16 Broken Heartlands is an essential and compelling political road trip

through ten constituencies that tell the story of Labour s red wall from Sebastian Payne an award winning journalist and Whitehall Editor for the Financial Times The Times Political Book of the Year A Daily Telegraph Guardian Daily Mail and FT Book of the Year Immensely readable Observer Historically the red wall formed the backbone of Labour s vote in the Midlands and the North of England but during the 2019 general election it dramatically turned Conservative for the first time in living memory redrawing the electoral map in the process Originally from the North East himself Payne sets out to uncover the real story behind the red wall and what turned these seats blue Beginning in Blyth Valley in the North East and ending in Burnley with visits to constituencies across the Midlands and Yorkshire along the way Payne gets to the heart of a key political story of our time that will have ramifications for years to come While Brexit and the unpopularity of former Labour leader Jeremy Corbyn were factors there is a more nuanced story explored in Broken Heartlands of how these northern communities fared through generational shifts struggling public services de industrialization and the changing nature of work Featuring interviews with local people plus major political figures from both parties including former Prime Minister Boris Johnson and Labour leader Sir Keir Starmer Payne explores the significant role these social and economic forces decades in the making played in this fundamental upheaval of the British political landscape Impressive and entertaining Sunday Times A must read for anyone who wants to understand England today Robert Peston

**Corpus Linguistics,**

**Context and Culture** Viola Wiegand, Michaela Mahlberg, 2019-11-18 Corpus Linguistics Context and Culture demonstrates the potential of corpus linguistic methods for investigating language patterns across a range of contexts Organised in three sections the chapters range from detailed case studies on lexico grammatical patterns to fundamental discussions of meaning

as part of the discourse contexts and cultures theme The final part on learner contexts specifically emphasises the need for mixed method approaches and the consideration of pedagogical implications for real world contexts Beyond its contribution to current debates in the field this edited volume indicates new directions in cross disciplinary work Common Sense Questions about Tests Gerard Giordano,2016-03-07 Parents had questions about the tests their children took at school They considered them to be common sense questions They posed them to the businesspeople publishers and politicians who championed tests They also posed them to the school administrators teachers and union leaders who criticized them This book examines the questions the parents posed the answers they elicited and the changes they prodded *Annual Report* Chicago (Ill.). Civil Service Commission,1911 **Education Savings Accounts** Nat Malkus,Adam Peshek,Gerard Robinson,2017-03-16 School choice has been central to American education policy debate for a quarter century But throughout school choice has been just that school choice In a potentially profound development Education Savings Accounts ESAs reimagine parent choice in ways that may upend many assumptions that have framed issues of school choice in the past ESAs offer something wholly new allowing parents to customize their child s education by stitching together traditional schools and different education providers including tutors therapists online and blended models Of course a raft of new questions and potential challenges accompany these new ESA programs which in 2015 existed in five states Arizona Florida Mississippi Nevada and Tennessee and were introduced by legislators in another sixteen Yet for all their potential import ESAs are barely understood This volume seeks to provide a comprehensive fair minded treatment of ESAs and will address the rationale for them the challenges they pose what it takes for them to work and the political and legal dynamics at play
