Social Studies - Economics

As my lead teaching, I planned and implemented a social studies unit on economics throughout the four week unit, we discussed needs and wants, goods and services, jobs, consumers and service providers, trading, bartering, community helpers and places. For this unit, I used a variety of kinesthetic, hands-on and technology-based activities to keep students engaged, as well as to meet the diverse learning needs of all students. Below is a calendar of lessons and a sample lesson plan from the unit.
