CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language **Sri Lanka, the Ethnic Conflict** ,1984 **Globalisation, Employment and Education in Sri Lanka** Angela W. Little,Siri T. Hettige,2014-05-23 Since the late 1970s Sri Lanka has undergone a socio economic transformation from protectionism towards economic liberalisation and increasing integration into the world economy Through a systematic comparison of these periods of economic change 1956 1977 and 1977 to the present Angela W Little and Siri T Hettige examine the impact of this transformation on education youth employment and equality of opportunity in Sri Lanka The book charts Sri Lanka s shift from a predominantly agricultural economy to one dominated by services and manufacturing a reduction in unemployment rising educational and occupational levels expectations and achievements and a reduction in poverty In turn it reveals a growing role for the private sector and foreign interests in post secondary education and a modest growth in private education at the primary and secondary levels as well as widening social disparities in access to qualifications training and skills The Sri Lankan experience of and engagement with globalisation has been tempered by a long running ethnic conflict that hindered economic and social development and diverted considerable public funds into defence and war Now that the war is won the challenge is how to invest in human resource development and the fulfilment of the expectations of youth from all ethnic and social groups This challenge requires serious policy analysis the generation of more state revenues the reallocation of existing public resources and a political commitment to the winning of a sustainable peace and stability This book makes an important contribution to the broader international literature on the implications of globalisation for education policy and practice and to the interaction of exogenous and endogenous forces for educational change It deals with the tension between the high social demand for education and the growing demand for specialised skills in a changing economy As such it has a wide interdisciplinary appeal across education policy and politics Asian education South Asian society youth policy sociology of education political economy of social change and globalisation **Parliamentary Debates** Ceylon. Pārlimēntuva. W. Subasinghe,1994 Ceylon Medical Journal ,2005 **Handbook of Arabic Literacy** Elinor Saiegh-Haddad,R. Malatesha Joshi,2014-04-03 This book provides a synopsis of recently published empirical research into the acquisition of reading and writing in Arabic Its particular focus is on the interplay between the linguistic and orthographic structure of Arabic and the

development of reading and writing spelling In addition the book addresses the socio cultural political and educational milieu in which Arabic literacy is embedded It enables readers to appreciate both the implications of empirical research to literacy enhancement and the challenges and limitations to the applicability of such insights in the Arabic language and literacy context The book will advance the understanding of the full context of literacy acquisition in Arabic with the very many factors religious historical linguistic etc that interact and will hence contribute to weakening the anglocentricity that dominates discussions of this topic
