The Russian Far East Sergey Darkin,Vladimir Kvint,2017-03-03 The Russian Far East is one of the most strategically important regions of Russia The Russian Far East and the development of its manufacturing strength determine Russia s role in a major economic area of the world the Asia Pacific region The degree to which the transportation telecommunications and social infrastructure of the Pacific coast of Russia are developed will predetermine the export potential of the country This important research presents the strategic scenario for the most effective use of resources of the Russian Far East

Mapping Power Navroz K. Dubash,2018-08-22 Electricity is critical to enabling India s economic growth and providing a better future for its citizens In spite of several decades of reform the Indian electricity sector is unable to provide high quality and affordable electricity for all and grapples with the challenge of poor financial and operational performance To understand why *Mapping Power* provides the most comprehensive analysis of the political economy of electricity in India s states With chapters on fifteen states by scholars of state politics and electricity this volume maps the political and economic forces that constrain and shape decisions in electricity distribution Contrary to conventional wisdom it concludes that attempts to depoliticize the sector are misplaced and could worsen outcomes Instead it suggests that a historically grounded political economy analysis helps understand the past and devise reforms to simultaneously improve sectoral outcomes and generate political rewards These arguments have implications for the challenges facing India s electricity future including providing electricity to all implementing government reform schemes and successfully managing the rise of renewable

energy **Appendix, Budget of the United States Government, Fiscal Year 2016** Executive Office of the President, 2015-02-02 Officially released on February 2 2015 As one of the reference volumes of the FY2016 Budget request of the President the popular Fiscal Year Budget Appendix volume presents detailed financial information on individual programs Federal agencies and appropriation accounts that constitute the budget in tables and graphs Includes for each Government department and agency the text of proposed appropriations language budget schedules for each account new legislative proposals and explanations of the work to be performed and the funds needed and proposed general provisions applicable to the appropriations of entire agencies or groups of agencies Federal agency personnel policy makers think tank advocates lawmakers media organizations and others interested in a line item by line item view of the President's proposed Fiscal year Budget will want this resource in their personal library collection Public and academic libraries will want to make this annual reference product available for the general public in their Government collections Students studying Public Finance political scientists and researchers will appreciate this detailed information with authoritative data legends presented in tables and graphs **History of Soybeans and Soyfoods in China, in Chinese Cookbooks and**
