

QUESTIONS: TEXT A

1.1	Refer to paragraph 1: 'on the brink of being replaced'. Explain this expression in context.	(2)
	The need for humans performing certain jobs is disappearing. / Human workforce is dying out/redundant.	
1.2	Refer to paragraph 2: 'It's not often a YouTube video stops me ... latest video clip of their Atlas robot.' Identify the writer's tone in this sentence.	(2)
	The writer shows that he was surprised by the YouTube video. He states clearly that YouTube videos do not usually attract his attention, but this video stopped him in his 'tracks' (it caught his attention).	
1.3	Refer to paragraph 3: 'As for us civilians, ... imminent threat to our livelihoods.' To whom is the writer referring when he talks about 'us civilians' in this paragraph? Motivate your answer.	(3)
	The writer is referring to ordinary/normal/average people that are not part of an organised group. In the previous paragraph, the writer referred to the military, therefore, we can deduce that civilians refer to non-military personnel/everyone else.	
1.4	Refer to paragraph 4: 'Retail store managers might ... simplifying a company's transformation bureaucracy.' Name 3 advantages of using robots in the workforce as outlined in this paragraph.	(3)
	- Managers/owners of shops and businesses will need less robots to do people's jobs and therefore replace the people.	
	- Robots do not need to be paid benefits, or waste time doing simple tasks, the also have no rights, and therefore it eliminates the human factor in the workforce.	
	- Robots can work 24/7 without a break and are therefore more efficient.	
	[Award 3 marks for three separate ideas. Ideas must be similar to the above.]	
1.5	Refer to paragraph 5: 'Most appealing though, ... tasks previously undertaken by people.' Discuss the stereotype associated with employers as can be seen in this paragraph.
