Measuring History S. G. Grant, 2009-03-01 Measuring History complements the cases presented in Wise Social Studies Practices Yeager Davis 2005 Yeager and Davis highlight the rich and ambitious teaching that can occur in the broad context of state level testing In this book the chapter authors and I bring the particular state history tests more to the fore and examine how teachers are responding to them At the heart of Measuring History are cases of classroom teachers in seven states Florida Kentucky Michigan New York Texas Mississippi and Virginia where new social studies standards and new and generally high stakes state level history tests are prominent In these chapters the authors describe and analyze the state s testing efforts and how those efforts are being interpreted in the context of classroom practice The results both support and challenge prevailing views on the efficacy of testing as a vehicle for educational reform Catherine Horn University of Houston and I lay the groundwork for the case studies through a set of introductory chapters that examine the current environment the research literature and the technical qualities of history tests **Education Canada** ,1969 Extending Intelligence Patrick C. Kyllonen, Richard D. Roberts, Lazar Stankov, 2008 This volume presents research from a variety of perspectives on the enhancement of human intelligence It is organized around five themes enhancement via instruction enhancement via development over the life cycle enhancement over time enhancement via new constructs and new directions in enhancement Three key issues are addressed First although most of the scientific research on intelligence has concerned what it is this volume attends to the consequential societal and economic issue concerns of whether it can be increased and how Second intellectual enhancement is particularly important when targeted to minorities and the poor groups that have typically performed relatively less well on intelligence and achievement measures This volume reflects the education community s ongoing interest in understanding and attempting to close achievement or test score gaps Third most of the attention to examining intellectual enhancement and in accounting for and closing the test score gap has focused on general cognitive ability In line with the current emphasis on considering intelligence from a wider perspective this volume includes constructs such as emotional and practical intelligence in definitions of intellectual functioning Extending Intelligence Enhancement and New Constructs is an essential volume for researchers students and professionals in the fields of educational psychology intelligence educational measurement and assessment and critical thinking *Pratiyogita Darpan* ,2007-05 Pratiyogita Darpan monthly magazine is India s largest read General Knowledge and Current Affairs Magazine Pratiyogita Darpan English monthly magazine is known for quality content on General Knowledge and Current Affairs Topics ranging from national and international news issues personality development interviews of examination toppers articles write up on topics like career economy history public administration geography polity social environment scientific legal etc solved papers of various examinations Essay and debate contest Quiz and knowledge testing features are covered every month in this magazine **Canadian Education and Research Digest** ,1969 *Schooling by Design* Grant Wiggins, Jay
