	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and satellites they could build?	They would certainly produce satellites that were better. They could improve delivery of aid.	They might develop better in case of emergencies, but they didn't know anyone doing, planned program for removal of German (Soviet) missiles from
3. Would anyone disagree with this?	Not really.	Some might be people worried about independence and other things.
4. Would what the Americans plan could change American society?	Yes, the government could be stronger. There'd be a stronger military.	Yes, American people were surprised and would not take a revolution like China.

2. What do you think is going on in the following sentences?

They (the U.S.) have decided not to follow

the Soviet-American understanding about rockets.

Instead, however, the government has decided to go ahead

with building a rocketing force that will make a big difference.
