Guided Reading Foreign Policy After The Cold War

Richard Saul

Guided Reading Foreign Policy After The Cold War:

U.S. Post Cold War Foreign Policy United States. Congress. House. Committee on Foreign Affairs, 1993 **National and European Foreign Policy** Reuben Wong, Christopher Hill, 2012-04-27 Examines how national foreign policies in the EU affect common EU positions in international politics **Before and After the Cold War** George H. Quester, 2013-10-18 The end of the Cold War came as good news for most of the world No one had predicted the collapse of Communist rule for several decades This book looks at how political scientists failed to predict such a quick resolution and ways in which the world might develop post Cold War **The Cold War and After** Richard Saull, 2007-01-20 The Cold War is often presented as an international power struggle between the Soviet Union and the US Richard Saull challenges this assumption He broadens our understanding of the defining political conflict of the twentieth century by stressing the social and ideological differences of the superpowers and how these differences conditioned their international behaviour Saull argues that US Soviet antagonism was part of a wider conflict between capitalism and communism involving states and social forces other than the superpowers The US was committed to containing revolutionary and communist movements that emerged out of uneven capitalist development In highlighting the socio economic and ideological dimensions of the Cold War Saull not only provides a richer history of the Cold War than mainstream approaches but is also able to explain why revolutionary domestic transformations caused international crises Tracing the origins of new resistance to American global power Saull's book provides an ideal alternative perspective on the Cold War and its end **Conflict After the Cold War** Richard K. Betts, 2017-03-27 Edited by one of the most renowned scholars in the field Richard Betts Conflict After the Cold War assembles classic and contemporary readings on enduring problems of international security Offering broad historical and philosophical breadth the carefully chosen and excerpted selections in this popular reader help students engage key debates over the future of war and the new forms that violent conflict will take Conflict After the Cold War encourages closer scrutiny of the political economic social and military factors that drive war and peace New to the Fifth Edition Original introductions to each of 10 major parts as well as to the book as a whole have been updated by the author An entirely new section Part IX on Threat Assessment and Misjudgment explores fundamental problems in diagnosing danger understanding strategic choices and measuring costs against benefits in wars over limited stakes 12 new readings have been added or revised Fred C Ikl The Dark Side of Progress G John Ikenberry China's Choice Kenneth N Waltz Why Nuclear Proliferation May Be Good Daniel Byman Drones Technology Serves Strategy Audrey Kurth Cronin Drones Tactics Undermine Strategy Eyre Crowe and Thomas Sanderson The German Threat 1907 Neville Henderson The German Threat 1938 Vladimir Putin The Threat to Ukraine from the West Eliot A Cohen The Russian Threat James C Thomson Jr How Could Vietnam Happen An Autopsy Stephen Biddle Afghanistan's Legacy Martin C Libicki Why Cyberdeterrence is Different Hearings, Reports and Prints of the House Committee on Foreign Affairs United States. Congress. House. Committee on Foreign Affairs (1789-1975), 1972

Navigating the Post-Cold War World Jason A. Edwards, 2008-12-16 Jason A Edwards explores the various rhetorical choices and strategies employed by former President Bill Clinton to discuss foreign policy issues in a new post Cold War era Edwards argues that each American president has situated himself within the same foreign policy paradigm drawing upon the same set of ideas and utilizing the same basic vernacular to discuss foreign policy He describes how former presidents and President Clinton in particular made modifications to this paradigm leaving a rhetorical signature that tells us as much about the nature of their presidency as it does about the international environment they faced With the end of the Cold War came the end of a relatively stable international order This end sparked intense debates about the new direction of American foreign policy As Bill Clinton took office he developed a new lexicon of words in order to discuss America s changing role in the world and other major international issues of the time without being able to fall into Cold War era rhetoric By examining the nuances and unique contributions President Clinton made to American foreign policy rhetoric Edwards shows how his distinct rhetorical signature will influence future administrations

The 1713 Peace of Utrecht and its Enduring Effects Alfred H.A. Soons, 2019-12-09 The 1713 Peace of Utrecht and its Enduring Effects edited by Alfred H A Soons presents an interdisciplinary collection of contributions marking the occasion of the tercentenary of the Peace of Utrecht The chapters examine the enduring effects of the Peace Treaties concluded at Utrecht in 1713 from the perspectives of international law history and international relations with cross cutting themes the European Balance of Power the Relationship to Colonial Regimes and Trade Monopolies and Ideas and Ideals the Development of the International Legal Order With contributions by Peter Beeuwkes Stella Ghervas Martti Koskenniemi Randall Lesaffer Paul Meerts Isaac Nakhimovsky Sundhya Pahuja Koen Stapelbroek Benno Teschke Jaap de Wilde

The Cold War: Origins and Developments United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, 1971
