

Biblical Exegesis Chart

Type of Method	Description	Questions This Method Asks
Textual Criticism	Scholars attempt to recover the most original version of biblical books, because no originals exist, only copies. These scholars compare different translations of the Scriptures to understand more clearly the meaning of a given passage.	• Of the many ancient copies and fragments of Bible books, which ones are the oldest? • Can we identify why there are differences between different copies of the same book? • Can we identify why different translations use different words in passages?
Historical Criticism	Scholars work to uncover the historical situation, or <i>Sitz im Leben</i> , of the writer at the time a particular book or story was written.	• What was the historical situation during the life of the author / editor or of the author / editor's community? • How did the historical situation influence the author's writing?
Literary Criticism	Scholars look at the Scriptures and seek to understand them as a work of literature.	• Did the writer use a particular literary form or device such as a poem, a historical story, a prophecy, a letter, or a gospel? • Did the passage use metaphors, puns, parables, exaggeration, a midrash, or other literary devices? • How did these particular literary forms or devices function in an ancient society?
Source Criticism	Scholars attempt to identify if the biblical authors used an existing story, myth, or other literature as the basis for their work.	• Are other writings from ancient cultures outside the Scriptures similar to a biblical passage? • What is the meaning of the differences between the way a story is told in the Bible and the way it is told in other sources?

Guidelines Biblical Exegesis

R. B. Jamieson, Tyler R. Wittman

Guidelines Biblical Exegesis:

Elements of Biblical Exegesis Michael J. Gorman, 2008-10 This revised and expanded edition presents a straightforward approach to the complex task of biblical exegesis Basic Guide to Interpreting the Bible, A Robert H. Stein, 1997-02 This book in practical and nontechnical terms guides readers in discovering what the goal of reading the Bible should be and how they can achieve this goal for themselves The author promises that they will acquire an interpretive framework that will help them understand better the meaning of biblical texts and how to apply that meaning to their own life situation **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike **Biblical Reasoning** R. B. Jamieson, Tyler R. Wittman, 2022-07-05 The Gospel Coalition 2022 Book Award Winner Academic Theology Southwestern Journal of Theology 2022 Book Award Honorable Mention Hermeneutics Bible Reference Biblical Backgrounds Two experts in exegesis and dogmatics show how Christology and the doctrine of the Trinity are grounded in Scripture and how knowledge of these topics is critical for exegesis The book outlines key theological principles and rules for the exegesis of Christian Scripture making it an ideal textbook for hermeneutics and interpretation courses The authors explore how the triune God revealed in Christ shapes Scripture and its readers and how doctrinal rules intrinsic to Scripture help guide exegesis A Guide to Biblical Commentaries and Reference Works John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *A Layperson's Guide to Biblical Interpretation* Luke Brad Bobo, 2016-01-15 Interpreting an ancient book like the Bible can be an intimidating task Hopefully this book will demystify or make less complicated the task of Biblical interpretation for the layperson or seminarian by the use of a handy and memorable acronym SCAR where S means sitting with the text to listen to the Biblical author s words over and over again where C means the literary and cultural historical contexts where A means analysis and finally where R means God s Redemptive Remedy Readers are treated to some accessible theory behind Biblical

interpretation in Part 1 and examples in Part 2 where SCAR is applied directly to two Old Testament and two New Testament texts God has revealed himself on the pages of Scripture He has revealed himself because he wants to be jealously and desperately known so my prayer for you is that this small book along with the True Biblical Interpreter the Holy Spirit will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious God who knows and loves you intimately And may your growing and maturing love for him manifest itself in your unwavering obedience to him

BIBLICAL EXEGESIS Edward D. Andrews, 2023-07-16 **BIBLICAL EXEGESIS** Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people's confidence in the Bible

[Introducing New Testament Interpretation \(Guides to New Testament Exegesis\)](#) Scot McKnight, 1990-02-01 This volume discusses various hermeneutical methods used in understanding the New Testament such as word studies grammatical analysis New Testament background theological synthesis textual criticism and use of the Old Testament in the New

A Guide to Old Testament Theology and Exegesis Willem VanGemeren, 1999-07-12 The introductory articles from the New International Dictionary of Old Testament Theology and Exegesis are presented here in a separate publication serving as an introduction to Old Testament theology and exegesis

Biblical Exegesis, Fourth Edition John H. Hayes, Carl R. Holladay, 2022-10-04 This is a beginner's guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on exegesis with a

focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing
Bibliographies are updated and a helpful glossary is included in this new edition
