HERO AT LARGE Robyn Amos,2011-09-15 THE AGENT Tall dark and devastatingly handsome Keshon Gray THE MISSION To smoke out a deadly traitor or die trying THE OBSTACLE The sweet temptation of the only woman he d ever loved Keshon Gray had never regretted anything he d had to do in the line of duty until now For entering the dangerous world of gang warfare led to a tempestuous reunion with Rennie Williams Although he had to keep his identity secret he just couldn t stay away from the virtuous beauty who reawakened his heart But would their love survive a shocking turn of events that promised to change their lives forever a year of loving dangerously Where passion rules and nothing is what it seems

50 MGM Films That Transformed Hollywood Steven Bingen,2022-11-01 Movies don t exist in a vacuum Each MGM movie is a tiny piece of a large colorful although often black and white quilt with threads tying it into all of the rest of that studio s product going forward yes but also backward and horizontally and three dimensionally across its entire landscape Not necessarily a best of compilation this book discusses the films that for one reason or another and not all of them good ones changed the trajectory of MGM and the film industry in general from the revolutionary use of Cinerama in 1962 s How the West Was Won to Director Alfred Hitchcock s near extortion of the profits from the 1959 hit thriller North by Northwest And there are the studio s on screen self shoutouts to its own past or stars in films like Party Girl 1958 the That s Entertainment series Garbo Talks 1984 Rain Man 1955 and De Lovely 2004 or the studio s acquisition of other successful franchises such as James Bond But fear not what we consider MGM s classic films all get their due here often with a touch of irony or fascinating anecdote Singin in the Rain 1952 for example was in its day neither a financial blockbuster nor critically acclaimed but rather an excuse for the studio to reuse some old songs it already owned The Wizard of Oz 1939 cost almost as much to make as Gone With the Wind also 1939 and took ten years to recoup its costs But still the MGM mystique endures Like the popular Netflix series The Movies that Made Us this is a fascinating look behind the scenes of the greatest and at times notorious films ever made New York Magazine ,1980-05-12 New York magazine was born in 1968 after a run as an

Caterino,2008-03-12 The words spun around my aching brain in an endless loop as I marched through the dense heat of the urban brush Youre too nice a guy Jackson That may have been true before this morning But as of 9 17 AM this morning the moment Fat Heads nightstick rocked my dome I started to transform into something elsesomething primal something strong and in many ways something long overdue A sleeping giant of buried rage had been awoken I thought about Tarmok and the rage of the Bull Mongoni The barbarian within me had taken over this time for good I began too feel pity for anyone who dared stand in my way as I began

my dark journey of escape I am Wes Jackson I am ignorant in the Hollywood Barbell Club sense of the word Wes Jackson Lives *Homer's Traditional Art* John Miles Foley, 2011-12-31 In recent decades the evidence for an oral epic tradition in ancient Greece has grown enormously along with our ever increasing awareness of worldwide oral traditions John Foley here examines the artistic implications that oral tradition holds for the understanding of the Iliad and Odyssey in order to establish a context for their original performance and modern day reception In *Homer's Traditional Art* Foley addresses three crucially interlocking areas that lead us to a fuller appreciation of the Homeric poems He first explores the reality of Homer as their actual author examining historical and comparative evidence to propose that Homer is a legendary and anthropomorphic figure rather than a real life author He next presents the poetic tradition as a specialized and highly resonant language bristling with idiomatic implication Finally he looks at Homer's overall artistic achievement showing that it is best evaluated via a poetics aimed specifically at works that emerge from oral tradition Along the way Foley offers new perspectives on such topics as characterization and personal interaction in the epics the nature of Penelope's heroism the implications of feasting and lament and the problematic ending of the Odyssey His comparative references to the South Slavic oral epic open up new vistas on Homer's language narrative patterning and identity *Homer's Traditional Art* represents a disentangling of the interwoven strands of orality textuality and verbal art It shows how we can learn to appreciate how Homer's art succeeds not in spite of the oral tradition in which it was composed but rather through its unique agency *New York Magazine*, 1980-03-31 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
