Blank Slate Lia McIntosh, Jasmine Smothers, Rodney Thomas Smothers, 2019-03-19 The church must get unstuck from its current context in order to address the context of younger generations otherwise it will not be relevant to younger people and will die with the older generations As an example a letter from the Younger Generations to

Baby Boomers Dear Baby Boomers Thank you for all you've done but I don't want your church I want you our relationship our engagement but not your church structure and outdated assumptions Signed The Younger Generations Blank Slate guides leaders to envision and actually design the future church The authors start by describing each generational group currently living in the US helping readers understand the varied context of people in every age group Next they explore five innovative secular organizations drawing sharp lessons for the church The last section includes a seven step process for ministry leaders to engage current and upcoming generations This book with questions for individual and group reflection in each chapter is a powerful planning tool for ministry teams In a time when so many of us want a blueprint for how to do ministry in a rapidly changing world McIntosh Smothers and Smothers hand us a pencil and tell us to draw it ourselves God has entrusted us to be the designers and visionaries for a new way Blank Slate is the guide that you and your team need to design a new future together Jacob Armstrong pastor Providence Church Mt Juliet TN [The Adept Church](#) Dr. F. Enlow Jr.,2013-02-08 No Not another book on leadership That was my first reaction as I received the manuscript of this book Upon careful reading I came to realize that Dr Enlow has artistically captured the essence of leading by influence and has presented it in a clear and

colorful way As a veteran leader Dr Enlow speaks from vast experience but it is not merely subjective anecdotal experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Langham Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everythingright nowand read the warning in the last chapter on doxological leadership I am recommending this book to all my clientsand I will likely reread this gem once a year Its that important John Pearson consultant www.johnpearsonassociates.com and author of Mastering the Management Buckets Bulletin ...
