historical research it paints a vivid portrait of Wallace's life and times from his early years as a young knight to his rise to leadership of the Scottish resistance. Wallace was a brilliant military strategist and tactician and his victories against the English were instrumental in securing Scotland's independence. But he was also a man of compassion and principle who fought for what he believed in even when the odds were stacked against him. This book explores Wallace's military campaigns, his victories and defeats, and his ultimate betrayal and execution. It also examines his impact on the Scottish Wars of Independence, a conflict that shaped the course of British history. Through the lens of Wallace's life, this book provides a deeper understanding of the Scottish struggle for independence, the causes of the war, the major battles that were fought, and the impact of the war on both Scotland and England. *In the Wake of the Lion* is a gripping and insightful account of one of the most important figures in Scottish history. escape route is essential if you want to stay scot free and not end up in prison or worse This is a story about myself and the many tight spots I have got myself into and how I managed to escape scot free Indeed I am a Scot and know the origin and meaning of the expression So I have always known to make sure that I had an escape route to prevent me from ending up in the quicksand In the course of this book I intend to give you my outlook on life how I ve spent it and my opinions on many subjects The vast majority of this book is true and the few exaggerations I have included for a laugh you will be able to spot but there are very few I will not be caring if I offend anyone nor will I be politically correct in any way If you are easily offended don t read it I was born in the sixties so my sense of humour came into being in the seventies when things weren t quite so politically correct as they are now Those were the days when Warren Mitchell s character Alf Garnett was the biggest comedy star on the television so the sense of humour in this book will not be to everyone s taste But if you enjoy a good laugh read on
